

# Acknowledgements

It is with a great sense of gratitude that I take this opportunity to acknowledge my indebtedness to Professor R. G. Vyas for his valuable guidance, constant encouragement and help during the entire period of my research work. I am also thankful to him for very valuable suggestions and for critically and meticulously going through my write up which led to this final form of the Ph. D. Thesis.

I am fortunate enough to receive constant encouragement, support and co-operation from Professor J. R. Puwar, Campus Director, Tatva Institute of Technological studies, Modasa, and Shri D. S. Patel, Secretary, Tatva Institute of Technological studies, Modasa, from the very beginning of my joining the institute in 2010 for continuing my researches. I accord my sincere thank to both of them.

My respected thank are also due to the Professor Nikhil D. Desai, Former Dean, Faculty of Science, and Professor T. K. Das, Former Head, Department of Mathematics, Faculty of Science, The Maharaja Sayajirao University of Baroda, for providing necessary facilities during the course of my work.

I owe a deep sense of gratefulness to my family members for their cooperation, encouragement and constant support during my B. Sc., M. Sc., M. Phil. course as well as during the entire period of my research work.

I also thank Mr. Shirish Patel, Mr. Vishal Patel, Mr. Vimalshyam Patel, Mr. Nainesh Dhonde, Mrs. Artiben Bhavsar, Mr. Hetul Vyas, Ms. Salma Pirzada and Mr. Hermit Upadhyay who helped me one way or other.

Finally I thank all my teachers and the concerned administrative staff of the Department of Mathematics, the Faculty of Science, the Smt. Hansa Mehta Library and also of the University office of The Maharaja Sayajirao University of Baroda for their cooperation during the entire period.
