

Acknowledgement

First and foremost, I bow down to the omnipresent supreme power Lord Swaminarayan and my Spiritual Guru HH. Mahant Swami Maharaj, who provided me strength, inspiration and circumstances to accomplish this journey.

I express the deepest feeling of gratitude towards, my Guide, Prof. V. O. Thomas, Professor of Mathematics, Department of Mathematics, Faculty of Science, The M. S. University of Baroda. His dedication and inclination towards the research has taught me a lot. The guidance and useful technical discussion by him has laid a profound foundation to pursue the research work.

It gives me an immense pleasure to express my heartiest thanks to my wife, who has been always remained a backbone in every ups and downs in my life.

The unforgettable love and strong support provided by my beloved parents is really priceless and hence I am wordless.

I indebted deeply to Prof. H. R. Kataria, Professor & Head, Department of Mathematics, Vice Dean, Faculty of Science, The M. S. University of Baroda who have constantly provided research facilities and amenities at the department. I am also obliged to Prof. A. C. Sharma, Dean, The M. S. University of Baroda who have continuously supported me in all type of designated work without which nothing was possible.

My heartiest gratitude towards Prof. T. P. Singh, Director School of Technology, and my colleagues who have always kept motivating to accomplish my research, at Pandit Deendayal Petroleum University (PDPU), Gandhinagar. My sincere thanks to the PDPU Management and higher authorities without which nothing would have been possible.

My sincere gratitudes towards all the faculty members at Department of Mathematics, The M. S. Uni., who have directly or indirectly accelerated my research work during the curriculum.

I am heartily thankful to Dr. B. S. Ratanpal, Assistant Professor, Department of Applied Mathematics, The M. S. University of Baroda, for having several fruitful research discussions and motivation during the work.

I appreciate the care like a real brother which I obtained from Mr. Vishant Shah without whom, the constant and consistent research work at the Department would not have been possible.

I thank Ms. Niraj Pathak, DDIT, Nadiad for her guidance.

My deepest gratitude to Dr. Ranjan Sharma, Associate Professor, Cooch Behar Panchanan Barma University who has played a vital role in shaping up my research attitude.

I am sincerely thankful to IUCAA (Inter-University Centre for Astronomy and Astrophysics), Pune, for providing the library facilities and discussion with the experts during my research.

Last but not the least, it gives me an immense pleasure to remember Prof. Johan Gielis, University of Antwerp, who has constantly inspired me during this entire journey.

Dishant M. Pandya
