

Acknowledgements

First and above all, I praise *God*, the almighty for providing me this opportunity and granting me the capability to proceed successfully and thanks for His showers of blessings throughout my research work to complete this successfully.

This thesis is the end of my journey in obtaining Ph.D. degree. I felt that I have not traveled in a vacuum during this journey. This thesis has been kept on track and been seen through to completion with the support and encouragement of numerous people including my well-wishers, my friends and my colleagues. At the moment of completion of my thesis work I would like to thank all those people who made this thesis possible and an unforgettable experience for me. Also, it is a pleasant moment for me to express my thanks to all those who contributed in many way to the success of this study and made it an unforgettable experience for me.

At this moment of accomplishment, it is my pleasant and foremost duty to express my deepest sense of reverence and indebtedness to my guide, *Dr. B. I. Dave*, Associate Professor, Department of Mathematics, Faculty of Science, The Maharaja Sayajirao University of Baroda, Vadodara-390-002, Gujarat, India. This work would not have been possible without his advice, inspiration, encouragement and continuous support throughout my Ph.D. research work. Under his guidance, I successfully overcame many difficulties and learned a lot. I can't forget that he used to review my thesis progress, give his valuable suggestions and made corrections. His unflinching courage and conviction will always inspire me, and I hope to continue to work with his noble thoughts.

He not only made me think professionally, academically but also planted seeds of spirituality in my personality which is more essential for each and everyone on this planet. I am feeling very grateful by owning guide like him as he has completed my soul by adding the essence of spirituality, without which I can say that an individual is incomplete. He was, is and will be a role model of mine for lifetime. I can only say a proper thanks to him through my future work.

My special words of thanks should also go to *Dr. J. C. Prajapati* for his continuous support, guidance, cooperation, encouragement. I owe a lot of gratitude to him for always being there for me and I feel privileged to be associated

with a person like him during my life. He collaborated with me in research work. Also initially guided me in starting of my Ph.D. thesis work.

My respectful thanks are also due to *Prof. H. R. Kataria*, the Head, Department of Mathematics for giving me a full-fledged co-operation and providing me all possible facilities during the course of work.

With a sense of regard and admiration I take this opportunity to express my deep sense of gratitude and heartfelt thanks to *Prof. J. R. Patadia*, and other teachers of the department. I cannot forget the cooperation and encouragement that I have always received from *Shri Gopalbhai*, and other non teaching staff of the department.

My special regards to my teachers because of whose teaching at different stages of education has made it possible for me to see this day. Because of their kindness I was able to reach a stage where I could write this thesis.

I am also grateful to have very kind support and well wishes from *Jagruti* madam.

A special mention of thanks to my research colleagues *Reshma Shah, Rajesh Savalia, Meera Chudasama* and many more for their constant support and cooperation.

I thank my friends (too many to list here) for providing support and friendship that I needed. You guys were always real pals!

It is impossible to mention the names of individuals who had an impact to this work. I feel a deep sense of gratitude for my *grand parents, mother, father, uncle Shyam* who formed part of my vision and taught me good things that really matter in life. Their infallible love and support has always been my strength. Their patience and sacrifice will remain my inspiration throughout my life. I would especially thank my rest amazing family, *uncles, aunties, didi, brother, sister in-law, cousins* and my all the relatives for their love, support, constant inspiration and encouragement I have gotten over the years.

My heart felt regard goes to my *grand mother in-law, father in-law, mother in-law, uncle in-law, brother in-law, sisters in-law, two little champs* and all the relatives in my in-laws for their love and moral support.

I owe my deepest gratitude towards my better half, my soul mate and my best friend for his eternal support and understanding of my goals and aspirations. I married the best person out there for me. His infallible love and support has always been my strength. His patience and sacrifice will remain my inspiration throughout my life. Without his help, I would not have been able to complete much of what I have done and become who I am. It would be ungrateful on my part if I thank *Amit* in these few words.

I am thankful to library staff and administrative staff of the Maharaja Sayajirao University of Baroda, Vadodara.

I am also indebted to all those researchers whose work (quoted in the bibliography) I have consulted.

Finally, my thanks go to all the people who have supported me to complete the research work directly or indirectly.

(B. V. Nathwani)

Vadodara,
September 2016
