

## LIST OF PAPER PRESENTED, PUBLISHED AND SUBMITTED FOR PUBLICATION

- “A continue Review Inventory Model with Poisson arrivals of customer each having demand of one unit” Presented paper in International Conference on “APPLIED MATHEMATICS & STATISTICS” (ICAPMS) Dec-2011.
- “A Single Period Inventory Model With Discrete And Poisson Demand” Presented paper in Regional science congress on “Science foe Shaping the Future of India” Sep-2012.
- “A Discrete Inventory Model with price discount based on stock” Presented paper in National Seminar on “Biostatistics And Data Analytics”. Dec-2013
- “A Discrete Inventory Model with price discount based on time” Presented in International conference on “OPERATIONAL RESEARCH” (OR FOR BIG DATA AND ANALYTI) Dec-2014.
- “A Single Period Inventory Model With Discrete And Poisson Demand” ; International Journal of Scientific Research ; Vol 2,(7); July-2013(506-508).
- “A Discrete Inventory Model When Sale Price Discount Based On Time”, Internstionsl Journal Of Science And Research.; vol 6(2),feb-2017.
- “A Discrete Inventory Model when Sale Price Varies with Stock Level”. International Journal Of Scientific Engineering and Research; vol 5(8),Aug-2017.
- “A Discrete Inventory Model When Sale Price Varies At Random Time”, Submitted for Publication.
