

ACKNOWLEDGEMENT

“...what matters in life is not whether we receive a round of applause; what matters is whether we have the courage to venture forth despite the uncertainty of acclaim.” — Amor Towles

I wish to express my sincere gratitude toward my supervisor, Professor Mrinalini Nair, for her guidance and encouragement in doing the right thing in a very meticulous way even when the road got tough. This journey would not have been accomplished without her persistent help and insightful comments on my research. Thank you ma'am for teaching me that no matter what, always chase your dreams and never look back,

I thank University Grants Commission, India for providing a research fellowship, the Department of Biotechnology, and the Department of Science and Technology for providing a travel grant. In addition, I would like to thank the Institute Pasteur and The RNA Society for granting support for the conference presentation.

*I thank Professors Timothy Foster and Dr. Ian R. Monk, Trinity College, Dublin for providing *S. aureus* and *E. coli* strains.*

I would like to pay my special regards to Professor Gayatri Archana, Head Department of Microbiology, and Professor Anuradha Nerurkar, for their valuable suggestions regarding my work and endless support during the rough patch. I wish to show my gratitude to Late Dr. Johannes Manjrekar, a member of my doctoral committee for his timely comments and encouragement to look outside the box. I would also like to thank Prof. Rasheedunnisa Begum and Dr. Jayashree Pohnerkar for their comments on my work during presentations. I would like to thank the former head, Prof. Tamishraha Bagchi, for his support. I thank Prof. Devarshi Gajjar for her encouraging words and kind support. I thank Dr. Vyas, Prof. Ingle, Dr. Nandita Baxi, Dr. Rajesh Patkar, Dr. Ratika Srivastava, and Dr. Pushpendra Singh for their suggestions and encouragement.

It's the journey that teaches you about the destination and having family & friends makes every moment special. Thank you Dr. Anuja Malgaonkar for being such an amazing senior and providing scientific support during my Ph.D. I will really cherish the time we spent here. I would like to thank my traveling partner plus one and only junior Mrs. Niralee for

standing with me throughout this time. Thank you Nilva! For your magical brownies that always cheer me up. My special thanks to Dr. Ruchi Jariwala for being the best listener and always being there for me. Your attitude towards life and calm nature always give good vibes.

I would also like to thank my other lab seniors Dr. Sandip Patil and Dr. Manikandan Kathirvel for their help during the research work, I thank Dr. Hashim Reza, Dr. Hiral Shah, Mr. Akhil, Mr. Divya, and Ms. Khyati for their suggestions and comments on my experiments. The time I spent in GRC will always be memorable.

I thank my colleagues Dr. Jitendra Gosai, Dr. Vihang Thite, Mr. Mihir, Ms. Juliya, Ms. Sidhi, Ms. Jaswinder, Ms. Roshni, Ms. Hiral, and all others for their help and suggestions.

I would like to thank Mr. Nitesh Bhatt and Mr. Shirish Nagarkar for their timely support and guidance in all the administrative work, I thank Dr. Harsukh Tank for his encouraging words, constant help, and providing laboratory requirements as and when needed. I thank Mr. J. K. Nair and Mr. Varghese for their help in the administrative work at the University. I would also like to thank Mrs. Thomas for providing laboratory supplies and her delicious food. I thank Aparna Ma'am for her support and suggestion during my microscopy work,

I thank Mukesh Bhai, Girish Bhai, Chiman Bhai, and late Ramesh Bhai for maintaining clean labs.

This journey would not have been possible without the support of my family "my world" for always being my guiding light. I am forever indebted to my parents for selflessly encouraging me to explore new challenges in life that made me who I am. Thank you Haji Haider, Rahila, Mobina, and my little angels Nooren, Hayat & Ruhan. I thank Mrs. Rajani and Mrs. Deepika, my home away from home, and for being there for me from day one. All words from the universe will not be enough to share my gratitude towards you.

Finally, I thank almighty Allah, who granted me countless blessings, opportunities, and strength, so that I could fulfill my dreams.

-Hasmatbanu Buchad
