

ACKNOWLEDGEMENT

This work is an outcome of my collaboration with ABV-Indian Institute of Information Technology and Management Gwalior, MS University of Baroda, Vadodara, National Academy of Indian Railways, Vadodara and academic and industry partners of the Indian Railways.

I extend my sincere thanks to my guides Dr. Gyan Prakash, ABV-Indian Institute of Information Technology and Management Gwalior and Prof. Jayrajsingh.D. Jadeja, Dean Professor Marketing, Faculty Management Studies, The Maharaja Sayajirao University of Baroda, Vadodara.

I am thankful to Director, ABV-Indian Institute of Information Technology and Management Gwalior for allowing supervision of this thesis by Dr.Gyan Prakash. I am thankful to Dr.Gyan Prakash for performing the role of Co-guide and providing study material and research papers on public procurement and supply chain management. He motivated me and acted as a catalyst for the thesis.

I extend my gratitude to my colleagues at the National Academy of Indian Railways for constant motivation and support. I am also thankful to the Indian Railways for granting permission for this PhD work. Thanks are also due to all those who have supported this work directly or indirectly, my special thanks are due to Shri Rajaram Prasad, GM/CRIS, Jose Rozario, H.S.Sheshadri, B.Dayanand, A.Ashwin, Meeta Parmar. I extend my sincere thanks to members of Faculty Management Studies, The MS University of Baroda, Vadodara for providing the infrastructure and all the required help, my special thanks are due to Kethan, Preethi Yadav, Deepaben.

I am also thankful to my wife and children for supporting me in their own way.
