

## ***ACKNOWLEDGEMENTS***

Words are not enough to express the deep sense of gratitude that I feel for **Dr. (Mrs.) Smita K. Trivedi**, Associate professor, Department of Medicine, for her ardent teaching, continuous encouragement and guided me during my study.

I express my thanks to **Dr. N. C. Mehta**, professor and head, Department of medicine & Faculty Dean, Medical college Baroda, for her able guidance, valuable suggestion and constant support.

I am grateful to **Dr. K. J. Pathak**, Dean Medical college, Baroda, and **Dr. S. B. Saxena**, Superintendent, S.S.G Hospital, Baroda, who have given permission to do my work in this institution.

I am grateful to **Dr. (Mrs.) Minal Shastri**, Asst. Professor, Department of Medicine, Medical college, Baroda, for her keen interest and valuable suggestions through out the study.

I am thankful to **Dr. L. N. Chauhan**, Professor and Head, Department of obstetrics & Gynecology, for allowing me to include their patients in this work.

I express my heartiest thanks to Dr. Naman Shah and all my colleagues and staff members of the department for their kind co-operation.

Last but not the least, I thank to my patients, who probably never know their pivotal role in the study, without which this study would have not been completed.

**DR. SAMIR M. MEHTA**
