

## **ACKNOWLEDGEMENT**

To begin with I would like to extend my heartfelt thanks and gratitude to my Guruji, guide and Head (Department of Dance, FPA) Dr. Pandit Jagdish Gangani for his unconditional support and guidance during my Ph.D. work. It was only because of his continuous motivation, inspiration and efforts I was able to gather the rare facts and complete my thesis work.

To add to this I would like to thank Prof. Dr. Ajay Ashtaputre, Dean, Faculty of Performing Arts for his continuous motivation, encouragement and support in providing many important aspects of research and making my thesis more meaningful.

My wholeheartedly thanks to Dr. Trilok Singh Mehra, Assistant Professor in Department of Dramatics for his valuable suggestions at various places of my thesis. I would also thank my friends and colleagues for their kind support, help and constant encouragement.

It would be unjustified if I leave to mention the name of Shri Arvind Pandit, who helped me in translating the entire material for my Ph.D. Along with this I would also like to mention the name of Ms. Sangeeta Dubey, who helped me in beautification of my thoughts and making the language of the thesis more expressive.

I would like to acknowledge Narula Uncle and Iqbal bhaiya for documenting and printing my entire thesis.

The entire journey of my Ph.D. would not have been possible without the outstanding and extraordinary love, affection and support of my parents, my mother-in-law, my brother and my husband Anand. Their support made me to manage my work schedule during the thesis.

Last but not the least I would like to extend my heartfelt thanks to those who knowingly and unknowingly supported me in completion of my Ph.D. work.
