

LIST OF TABLES

<u>TABLE NO.</u>	<u>TITLE</u>	<u>Page No.</u>
	<u>CHAPTER 4: ANALYSIS AND INTERPRETATION OF DATA</u>	
4.1	Category Wise Sample Average Performance Summary of Selected Ratios During the Period 2001-02 to 2012-13 Data	173
4.2	Giving Grades to All Sector Banks Ratio Wise	184
4.3	Mean Comparison of Average Credit Deposit Ratio for the Period 2001-02 to 2012-13 across the Bank Category using One Way Analysis of Variance Statistics.	186
4.4	Mean Comparison of Average Interest Income as % to Total Income for the Period 2001-02 to 2012-13 across the Bank Category using One Way Analysis of Variance Statistics.	187
4.5	Mean Comparison of Average Non-Interest Income as % to Total Income for the Period 2001-02 to 2012-13 across the Bank Category using One Way Analysis of Variance Statistics.	188
4.6	Mean Comparison of Average Interest Expense as % to Total Expenses for the Period 2001-02 to 2012-13 across the Bank Category using One Way Analysis of Variance Statistics.	189
4.7	Mean Comparison of Average Operating Expenses as % to Total Expenditure for the Period 2001-02 to 2012-13 across the Bank Category using One Way Analysis of Variance Statistics.	190
4.8	Mean Comparison of Average Spread as % to Total Asset for the Period 2001-02 to 2012-13 across the Bank Category using One Way Analysis of Variance Statistics.	191
4.9	Mean Comparison of Average Interest Income as % to Average Working Fund for the Period 2001-02 to 2012-13 across the Bank Category using One Way Analysis of Variance Statistics.	192

4.10	Mean Comparison of Average Non-Interest Income as % to Total Average Working Fund for the Period 2001-02 to 2012-13 across the Bank Category using One Way Analysis of Variance Statistics.	193
4.11	Mean Comparison of Average Operating Profit as % to Average Working Funds for the Period 2001-02 to 2012-13 across the Bank Category using One Way Analysis of Variance Statistics.	194
4.12	Mean Comparison of Average Return on Assets (PAT /Total ASSETS) for the Period 2001-02 to 2012-13 across the Bank Category using One Way Analysis of Variance Statistics.	195
4.13	Mean Comparison of Average Gross NPA as % to Net Advances for the Period 2001-02 to 2012-13 across the Bank Category using One Way Analysis of Variance Statistics.	196
4.14	Mean Comparison of Average Net NPA as % to Net Advances for the Period 2001-02 to 2012-13 across the Bank Category using One Way Analysis of Variance Statistics.	197
4.15	Mean Comparison of Average Net Profit (PAT) on Owned Funds for the Period 2001-02 to 2012-13 across the Bank Category using One Way Analysis of Variance Statistics.	198
4.16	Mean Comparison of Average Capital Adequacy Ratio (Tier I Plus Tier II) (Under Basel I) for the Period 2001-02 to 2012-13 across the Bank Category using One Way Analysis of Variance Statistics.	199
4.17	Bank Category wise trend of Average Credit Deposit Ratio for the Period 2001-2002 to 2012-2013 using Regression Analysis.	201
4.18	Bank Category wise trend of Average Interest Income as % to Total Income for the Period 2001-2002 to 2012-2013 using Regression Analysis.	202
4.19	Bank Category wise trend of Average Non-Interest Income as % to Total Income for the Period 2001-2002 to 2012-2013 using Regression Analysis.	203

4.20	Bank Category wise trend of Average Interest Expense as % to Total Expenses for the Period 2001-2002 to 2012-2013 using Regression Analysis.	204
4.21	Bank Category wise trend of Operating Expenses as % to Total Expenditure for the Period 2001-2002 to 2012-2013 using Regression Analysis.	205
4.22	Bank Category wise trend of Average Spread as % to Total Assets for the Period 2001-2002 to 2012-2013 using Regression Analysis.	206
4.23	Bank Category wise trend of Average Interest Income as % to Average Working Fund for the Period 2001-2002 to 2012-2013 using Regression Analysis.	207
4.24	Bank Category wise trend of Average Non-Interest Income as % to Total Average Working Fund for the Period 2001-2002 to 2012-2013 using Regression Analysis.	208
4.25	Bank Category wise trend of Average Operating Profit as % to Average Working Funds for the Period 2001-2002 to 2012-2013 using Regression Analysis.	209
4.26	Bank Category wise trend of Average Return on Assets (PAT /Total ASSETS) for the Period 2001-2002 to 2012-2013 using Regression Analysis.	210
4.27	Bank Category wise trend of Average Gross NPA as % to Net Advances For The Years 2001-2002 To 2012-2013 using Regression Analysis	211
4.28	Bank Category wise trend of Average Net NPA as % to Net Advances for the Period 2001-2002 to 2012-2013 using Regression Analysis.	212
4.29	Bank Category wise trend of Average Net Profit (PAT) On Owned Funds for the Period 2001-2002 to 2012-2013 using Regression Analysis.	213
4.30	Bank Category wise trend of Average Capital Adequacy Ratio (Tier I Plus Tier II) (Under Basil I) for the Period 2001-2002 to 2012-2013 using Regression Analysis.	214
4.31	T-Value of Private Banks	216
4.32	T-Value of Public Banks	223
4.33	T-Value of Foreign Banks	233

	<u>Chapter 5: CONCLUSIONS AND SUGGESTIONS</u>	
5.1	Non-Interest Income as Percentage to Total Income of Foreign Banks	256
5.2	Non-Interest Income as Percentage to Average Working Fund of Foreign Banks	256
5.3	Return on Assets of Foreign Banks	265
5.4	Return on Assets of Private Banks	266
5.5	Return on Assets of Public Banks	266
5.6	Net Profit (PAT) on Owned Fund of Private Banks	271
5.7	Net Profit (PAT) on Owned Fund of Public Banks	271
5.8	Net Profit (PAT) on Owned Fund of Foreign Banks	272
