

Table Index

Table No.	Particular	Page No.
3.1	Number of Companies in which selected Parameters are observed	118
3.2	Summary of Disclosure for Six Parameters in Nifty 200 companies	119
3.3	Summary of Parameter disclosures among various Industries of Nifty 200	122
3.4	Summary of Total Disclosures in all Nifty 200 companies	123
3.5	Disclosure of Parameters in Industrial Manufacturing companies	128
3.6	Disclosure of Parameters in Cement and Cement products companies	129
3.7	Disclosure of Parameters in Service provider companies	131
3.8	Disclosure of Parameters in Financial service provider companies	132
3.9	Disclosure of Parameters in Automobile companies	133
3.10	Disclosure of Parameters in Pharmaceutical companies	135
3.11	Disclosure of Parameters in Healthcare services companies	136
3.12	Disclosure of Parameters in Consumer goods companies	137
3.13	Disclosure of Parameters in Energy sector companies	139
3.14	Disclosure of Parameters in Telecom companies	140
3.15	Disclosure of Parameters in Construction companies	141
3.16	Disclosure of Parameters in IT companies	143
3.17	Disclosure of Parameters in Metals companies	144
3.18	Disclosure of Parameters in Textiles companies	145
3.19	Disclosure of Parameters in Media and Entertainment companies	147
3.20	Disclosure of Parameters in Chemical companies	148
3.21	Disclosure of Parameters in Fertilisers & Pesticides companies	149
3.22	Disclosure of Parameters in Hotels companies	151
3.23	Average and Variance of Industry wise Disclosure	153
3.24	One way ANOVA analysis of Industry wise Disclosure	153
3.25	Disclosure practice by environmental sensitive companies	162
4.1	Tata Steel Ltd. - Disclosures of Environmental Related Parameters	188
4.2	Reliance Industries Ltd - Disclosure of Environmental parameters	190
4.3	L & T Ltd. - Disclosure of Environmental parameters	193
4.4	Summary of disclosure in select companies	194
4.5	Summary of single Factor ANOVA Analysis	196
4.6	Summary of single Factor F cal Analysis	196
4.7	Basic Financial data of all three Companies	197
4.8	Summary of Disclosures and PAT of Tata Steel Ltd.	199
4.9	Summary of Disclosures and PAT of Reliance Industries Ltd.	200
4.10	Summary of Disclosures and PAT of L & T Ltd.	202
5.1	Summary of Indicators and Reliability Alpha Score	226
5.2	Gender wise classification of respondents	227
5.3	Age (Years) wise classification of respondents	228
5.4	Graduation of respondents	230
5.5	Professional Qualification of Respondents	231
5.6	Specialization of respondents	232
5.7	Position held by respondents	232

5.8	Evaluation of Environmental aspects	233
5.9	Evaluation of salient Features and Advantages of Environmental Accounting	246
5.10	Evaluation of Compliance by entities with applicable Environmental Laws	248
5.11	Evaluation of Environmental auditing practices in organisations	250
5.12	Evaluation of Overall criteria	253
5.13	KMO and Bartlett's Test for objectives of Environmental auditing	254
5.14	Total Variance Explained for objectives of Environmental auditing practice	255
5.15	Total Variance Explained for loadings of objectives of environmental auditing	256
5.16	Communalities and Rotated Component Matrix of organisation's Objectives of Environmental Auditing practice and Advantages emerging therefrom	256
5.17	KMO and Bartlett's Test on reasons for non-adoption of environmental auditing practice	258
5.18	Total Variance Explained on reasons for non-adoption of environmental auditing	259
5.19	Total Variance Explained for loadings on reasons for non-adoption of environmental audit	260
5.20	Communalities and Rotated Component Matrix of reasons leading to non-adoption of environmental auditing practice	260
5.21	Crosstab - Gender * awareness about threats to environment	262
5.22	Chi-Square Tests Gender * awareness about threats to environment	262
5.23	Crosstab Gender * awareness on role of environmental issues in accounting	263
5.24	Chi-Square Tests Gender * awareness on role of environmental issues in accounting	263
5.25	Crosstab - Gender * awareness on Triple bottom line reporting	264
5.26	Chi-Square Tests Gender * awareness on role of environmental issues in accounting	264
5.27	Crosstab Gender * awareness about carbon credit	265
5.28	Chi-Square Tests Gender * awareness about carbon credit	265
5.29	Crosstab Gender * environmental awareness to minimize impact	266
5.30	Chi-Square Tests Gender * environmental awareness to minimize impact	266
5.31	Crosstab Gender * treatment of environmental cost	267
5.32	Chi-Square Tests Gender * treatment of environmental cost	267
5.33	Crosstab Gender * capitalization of environmental cost	268
5.34	Chi-Square Tests Gender * capitalization of environmental cost	268
5.35	Crosstab Age * awareness about threats to environmental	269
5.36	Chi-Square Tests Age * awareness about threats to environmental	269
5.37	Crosstab Age * belief that environment is important concern	270
5.38	Chi-Square Tests Age * belief that environment is important concern	270

5.39	Crosstab Age * awareness that environmental issues play any role in accounting	271
5.40	Chi-Square Tests Age * awareness that environmental issues play any role in accounting	271
5.41	Crosstab Age * awareness that environmental pillar is important	272
5.42	Chi-Square Tests Age * awareness that environmental pillar is important	272
5.43	Crosstab Age * awareness about Triple bottom line reporting	273
5.44	Chi-Square Tests Age* awareness about Triple bottom line reporting	273
5.45	Crosstab Age * awareness on carbon credit	274
5.46	Chi-Square Tests Age * awareness on carbon credit	274
5.47	Crosstab Chi-Square Tests Age * observation of capitalization of environmental costs	275
5.48	Chi-Square Tests Age * observation of capitalization of environmental costs	275
5.49	Crosstab Age * observation of key areas of audit	276
5.50	Chi-Square Tests Age * observation of key areas of audit	276
5.51	Crosstab Age * observation of type of audit	277
5.52	Chi-Square Tests Age * observation of type of audit	277
5.53	Crosstab Graduation* awareness of threats to environment	278
5.54	Chi-Square Tests Graduation* awareness of threats to environment	278
5.55	Crosstab Graduation* awareness about environmental issues and role in accounting	279
5.56	Chi-Square Tests Graduation* awareness about environmental issues and role in accounting	279
5.57	Crosstab Graduation* belief that global warming is real warning	280
5.58	Chi-Square Tests Graduation* belief that global warming is real warning	280
5.59	Crosstab Graduation* awareness about Triple bottom line reporting	281
5.60	Chi-Square Tests Graduation* awareness about Triple bottom line reporting	281
5.61	Crosstab Graduation* awareness about carbon credit	282
5.62	Chi-Square Tests Graduation* awareness about carbon credit	282
5.63	Crosstab Graduation* awareness about observation of capitalization of environmental costs	283
5.64	Chi-Square Tests Graduation* awareness about observation of capitalization of environmental costs	283
5.65	Crosstab Graduation* awareness about amortization of environmental costs	284
5.66	Chi-Square Tests Graduation* awareness about amortization of environmental costs	284
5.67	Crosstab Graduation* awareness about key areas of audit	285
5.68	Chi-Square Tests Graduation* awareness about key areas of audit	285
5.69	ANOVA – analysis for environmental accounting and Gender of respondents	287
5.70	ANOVA analysis for environmental accounting and Age group of respondents	288

5.71	ANOVA analysis for environmental accounting and Graduation group of respondents	289
5.72	ANOVA analysis for environmental accounting and Post-Graduation group of respondents	290
5.73	ANOVA analysis for environmental accounting and Professional course of respondents	292
5.74	ANOVA analysis for environmental compliance and Gender of respondents	293
5.75	ANOVA analysis for environmental compliance and Age group of respondents	294
5.76	ANOVA analysis for environmental compliance and Graduation of respondents	296
5.77	ANOVA environmental compliance and Professional qualification of respondents	297
