

ACKNOWLEDGEMENTS

This thesis is the end of my journey in obtaining my PhD. I have not traveled in a vacuum in this journey. This thesis has been kept on track and been seen through to completion with the support and encouragement of numerous people including my well-wishers, my friends, colleagues and various teachers. At the end of my thesis I would like to thank all those people who made this thesis possible and an unforgettable experience for me. At the end of my thesis, it is a pleasant task to express my thanks to all those who contributed in many ways to the success of this study and made it an unforgettable experience for me.

*At this moment of accomplishment, first of all I pay homage to my guide, **Dr. Shri Ashwini Kumar Singh**. This work would not have been possible without his guidance, support and encouragement. Under his guidance I successfully overcame many difficulties and learned a lot. His unflinching courage and conviction will always inspire me.*

*I am highly grateful to **Dr. Prof. Ajay Ashatputre** (Dean), **Dr. Rajesh Kelkar** (head of Department) and Pandit Ishwar chand ji for cordial support, valuable information and guidance. I am thankful to **Dr. Bhagesh Baba and Dr. Dawarka Lal Maharaj**, for helping me in the thorough literature search.*

*I also wish to express my deepest appreciation to the **Puhkar Sir, Mr. Gaveesh Rai** for extending constant help during the course of my project.*

*One cannot forget the strength and support that one gets from his family. I find myself with limitation of words to express my deep sense of gratitude to my **Parents**. This acknowledgement will be incomplete without appreciating the moral support, blessing, inspiration and encouragement of my mother 'BIMLA KUMARI' who offered encouragement, patience, love throughout this period. She spent lot of time with me at hostel, during travel to various places for research purpose and above all took good care of my loving son while my absence at home. This moment I remember my late father's, **SHRI DELAWAR SINGH**, encouraging words which made me dream about this work. At the end, I would express my love to my adorable son 'AARAV DHOBAL' who was*

continuous source of energy and appreciation to my beloved Husband "Dr PARAG DHOBALÉ who was my support in the moments when there was no one to answer my queries. I really want to acknowledge everybody who had knowingly and unknowingly contributed a lot in completing my thesis.

At the last I specially and from core of my heart wants to thanks to my husband and my teacher Dr Ashwani Kumar Sir who supports me up to a lot of extent. I would also like to sat thanxs to my loving kids master Aaradhya, Aarav, Yadavi and my dear loving younger brother Shivam, Hardesh singh and pooja manhas

*Now, last but not least I am highly grateful to all my friends. How can I forgot u all noughties who made my life memorable **"How lucky I am to have known someone who was so hard to say goodbye to".***
