

Acknowledgement

Inspiration and motivation have always played a key role in the success of any task. Completion of this doctoral dissertation was possible with the support of several people.

I express my sincere gratitude and earnest thanks to my mentor Prof. Rameshwari Pandya for her guidance, continuous support, and motivation throughout the journey of my Ph.D. research. Her enthusiasm and encouragement had enormously helped in the progress of my study.

I extend my sincere thanks to the Head of the Department, Prof. Anjali Pahad for her positive reinforcement, critical comments, and valuable suggestions at various stages of research. I express my heartfelt thanks to my dear teachers Dr. Avani Maniar and Dr. Anuradha Mathu for their kind support and supervision during the present research work. I am also thankful to the non-teaching staff of the department for their cooperation all along with my research work.

I would like to thank my parents and my in-laws- Girishbhai, Bhavnaben, Kundanbhai, and Geetaben for providing me all comfort, convenience, and warmth to work hard and concentrate on my work. I would like to thank Gaurav my brother for helping me in all he can do and constantly being there as helping hand, I don't know without him where would I be, I would also like to thank Anita Mistry and both my sister in law Krishna Di and Sheetal Di for helping me for all the time silently being my support.

I am extremely thankful to my beloved husband Mr. Nikunj for motivating me to complete this research work. Without his love and commitment, it would not have been possible for me to complete it.

A special thanks to my cute little Niece and Nephew, Gracy, Panth, Kavya, Vyoma and Kush for being a motivational factor for me to finish my research work.

I would also like to acknowledge the support I received from my fellow Ph.D. students and colleagues.

I express my heartfelt thanks to all the undergraduate students of The Maharaja Sayajirao University of Baroda, Vadodara who co-operated in responding to my research questionnaire.

I would like to express my deep love and gratitude to my beautiful seniors in the Department of Extension and Communication, Dr. Leena, Dr. Dhara, Dr. Shivani, Dr. Sarika, Dr. Jagrati,

Dr. Dhawal, Dr. Megha, Dr. Krutika, their love, care, and support always helped me to stay positive in the ups and downs during my research.

A special thanks to my sweetheart friend Pankti, Nandita, and Khyati for being my local guardians and encouraging me to achieve success. It is indeed a blessing to be surrounded by beautiful and caring friends like you all.

I acknowledge gratefully the direct or indirect help of my relatives, well-wishers, and friends in the successful completion of this thesis.

Pooja Mistry
