

ACKNOWLEDGEMENT

The investigator most gratefully acknowledges Dr. (Mrs.) Veena Gandotra, Reader, Home Management Department, Faculty of Home Science, The M.S. University of Baroda for her valuable guidance and suggestions provided throughout the period of investigation.

Thanks are extended to Dr. (Mrs.) R. George, Head, Home Management Department, for her encouragement during the course of study.

The investigator expresses her indebtedness and deep sense of gratitude to Prof. N.M Bhatt, Civil Engineering Department, Faculty of Technology and Engineering, The M.S. University of Baroda for his expert guidance rendered throughout the study and for providing laboratory infrastructures and equipments necessary for conducting experiments for the study in Environmental Engineering Laboratory, Civil Engineering Department.

Sincere thanks are extended to Prof. H.V. Bhavnani, Vice-Dean, Faculty of Technology and Engineering, The M.S. University of Baroda for his encouragement and help throughout the study.

It is a pleasure to acknowledge the timely help, useful suggestions and motivation provided by Mrs. Manisha Shukul, Lecturer, Home Management Department, Faculty of Home Science.

The investigator expresses her deepest appreciation to her friend Mrs. Suramya Joshi, Lecturer, Home Management Department, Faculty of Home Science for her affection and ever willing help throughout the course of study.

The investigator owes a debt of gratitude to her prarents and all family members for their involvement and constant encouragement throughout the period of study.

Thankful appreciations are extended to all members of SOCLEEN (Society for Clean Environment) for their encouragement during the study. Deepest gratitudes are expressed to Mrs. Prabha Mehta and Mr. Gautam Majumdar for their affectionate concern and motivation for the completion of the study.

Deep appreciation and thanks are offered to all her friends, especially Ruplekha, Trupti, Marilyn and Ashima for giving all sort of comforts and support throughout the tenure of the study.

Thanks are extended to all the respondents for their cooperation in data collection.

Thanks are also due to Information System for analysis of data and to Blossom Computer Services for speedy typing of the Thesis.

Last but not least, the investigator hereby grabs the opportunity to thank all those who have directly or indirectly provided moral support during the study.
