

ACKNOWLEDGEMENT

I find no suitable words to express my profound indebtedness, and heartfelt deep sense of gratitude to Dr. Rachel George, Professor and Head, Department of Home Management, Faculty of Home Science, M.S.University of Baroda, who played the pivotal role in my research as a guide. I thank her for her inspiring guidance, thought provoking suggestions, affectionate help and above all creative and constructive criticisms. I must confess that it has been a rare privilege for me to be associated with her during my doct oral programme.

I avail this opportunity to express my gratitude to all the staff members of Technical Backup Support Unit for their infinite help and co-operation.

I sincerely acknowledge the help and co-operation rendered by the beneficiaries of NPIC, in particular people of village Kanjari, Vadadla and Sindhrot, in carrying out this study, without which it would have been impossible.
