

List of Figures

S.no	Title of figures	Page no.
3.1	Theoretical frame work of descriptive study	57
3.2	Schematic presentation of variables for descriptive study	58
3.3	Theoretical frame work of experimental study	62
3.4	Schematic presentation of variables for experimental study	63
3.5	District map of Uttaranchal	76
3.6	Schematic representation of sampling design adopted for the study	77
4.1	Distribution of HCWs on the basis of level of burnout Sub factors of burnout	141
4.2	Distribution of HCWs on the basis of work stress	146
4.3	Distribution of HCWs on the basis of job satisfaction	148
4.4	Distribution of HCWs on the basis of Physical fitness index	153
4.5	Extent of Pain experienced by HCWs while performing different activities in hospital	177
