

## ***BIBLIOGRAPHY***

## BIBLIOGRAPHY

ACC/SCN

- 1992 Second report on the world nutrition situation-volume I : Global and regional results. ACC/SCN, Geneva.

ACC/SCN

- 1991 Managing successful nutrition programmes. ACC/SCN State-of-the-art series, Nutrition Policy Discussion Paper No. 8, ACC/SCN, Geneva.

Afo G, Thompson J and Karel S

- 1991 Better management of better health services. World Health Forum 12:161-167.

Agarwal KN, Agarwal DK and Mishra KP

- 1991 Impact of anemia prophylaxis in pregnancy on maternal hemoglobin, serum ferritin and birth weight. Ind J Med Res 94:277-280.

Agarwal KN, Agarwal DK and Mishra KP

- 1987 Nutritional status in rural pregnant women in Bihar and Uttar Pradesh. Ind J Pediatr 24:118-125.

Ahmed AM, Mung'ong'o E and Massawe E

- 1991 Tackling obstacles to health care delivery at district level. World Health Forum 12:483-489.

Allen LH

- 2000 Anemia and iron deficiency: effects on pregnancy outcome. Am J Clin Nutr 71(5 Suppl):1280s-1284s.

Allen LH

- 1997 Pregnancy and iron deficiency: unresolved issues. Nutr Rev 55(4):91-101.

Anderson MA

- 1989 The relationship between maternal nutrition and child growth in rural India. Ph. D. dissertation, Tufts University, USA.

Anker M, Guidotti RJ, Orzeszyna S, Sapirie SA and Thuriause MC

- 1993 Rapid evaluation methods (REM) of health services performance : methodological observations. Bull World Health Organ 71(1):15-21.

Annett H and Rifkin S

- 1990 Improving urban health: Guidelines for rapid appraisal to assess community health needs - A focus on health improvements for low income urban areas. WHO/The Swedish International Development Agency/Swedish Agency for Research Cooperation in Developing Countries.

Atukorala TM, de Silva LD, Dechering WH, Dassenaieke TS and Perera RS

- 1994 Evaluation of effectiveness of iron-folate supplementation and antihelminthic therapy against anemia in pregnancy - a study in the plantation sector of Sri Lanka. *Am J Clin Nutr* 60(2):286-292.

Beckmann CA, Buford TA and Witt JB

- 2000 Perceived barriers to prenatal care services. *MCN Am J Matern Child Nurs* 25(1):43-46.

Bernard HR

- 1995 Research methods in anthropology: qualitative and quantitative approaches. Sage Publications Inc., California, USA.

Bruce J and Jain A

- 1991 Improving the quality of care through operations research. In: *Operations research: Helping family planning programs work better*, Wiley-Liss, Inc., USA, pp 259-282.

Bruce J

- 1990 Fundamental elements of quality of care: a simple framework. *Studies in family planning* 21(2):61-91.

Bryant M and Essomba RO

- 1995 Measuring time utilization in rural health centers. *Health Policy and Planning* 10(4):415-422.

Chandrashekar S, Rao RS, Nair NS and Kutty PR

- 1998 Socio-demographic determinants of antenatal care. *Trop Doct* 28(4):206-209.

Chatterjee M and Lambert J

- 1989 Women and nutrition: reflections from India and Pakistan. *Food and Nutrition Bull* 11(4):13-28.

Durnin JVGA

- 1987 Energy requirements of pregnancy: An integration of the longitudinal data from the five country study. *Lancet* ii:1131-1133.

Eastman NJ and Jackson EC

- 1968 The bearing of maternal weight gain and prepregnancy weight on birth weight in full term pregnancy. *Obstet Gynecol Survey* 23:1003-1025.

Edward Raj A

- 1995 Randomized iron supplementation trial with different dose levels in pregnant women : effect on selected parameters of maternal and infant outcome and the efficacy of a home based delivery system. Ph. D. dissertation, Department of Foods and Nutrition, M. S. University of Baroda, Baroda.

FCI and SMIAG

- 1998a Improve access to maternal health services. Safe Motherhood fact sheet, Family Care International and Safe Motherhood Inter-Agency Group, USA.

FCI and SMIAG

- 1998b Improve the quality of maternal health care. Safe Motherhood fact sheet, Family Care International and Safe Motherhood Inter-Agency Group, USA.

Galloway R and McGuire J

- 1994 Determinants of compliance with iron supplementation : supplies, side effects or psychology? *Soc Sci Med* 39(3):381-390.

Gandotra MM and Dey D

- 1997 Multi-indicator cluster survey in urban slums and rural areas of Gujarat. Population Research Centre, Department of Statistics, M. S. University of Baroda, Baroda.

Garn S and Pesick S

- 1982 Relationship between various maternal body mass measures and size of the newborn. *Am J Clin Nutr* 36:664-668.

Garn SM, Ridella SA, Petzold AS and Falkner F

- 1981 Maternal haematological levels and pregnancy outcomes. *Seminars in perinatology* 5:155-162.

Ghosh S

- 1985 Feeding of infants and young children. Voluntary Health Association of India, New Delhi.

Gibson RS

- 1989 Principles of nutritional assessment. Oxford University Press, New York.

Gillespie S

- 1998 Major issues in the control of iron deficiency. The Micronutrient Initiative, Ottawa, Canada and UNICEF, New York, USA.

Gillespie S

- 1997 Improving adolescent and maternal nutrition: An overview of benefits and options. UNICEF Staff Working Papers, Nutrition Series, Number 97-002, UNICEF, New York, USA.

Gopaldas T, Shah DN and Gujral S

- 1991 USAID assisted ICDS impact evaluation project in Panchmahals (Gujarat) and Chandrapur (Maharashtra) 1984-1990. Report submitted to the Ministry of Health and Family Welfare, Government of India, New Delhi.

Government of Gujarat

- 1998 Gujarat state nutrition policy. Department of Health and Family Welfare, Government of Gujarat, Gandhinagar.

Government of Gujarat

- 1992 CSSM - Plan of Action for Gujarat. Department of Health and Family Welfare, Government of Gujarat, Gandhinagar.

Government of India

- 1997 Reproductive and child health programme. Department of Family Welfare, Ministry of Health and Family welfare, Government of India, New Delhi.

Government of India

- 1993 National nutrition policy. Department of Women and Child Development, Ministry of Human Resource Development, Government of India, New Delhi.

Government of India

- (Year not mentioned) Policy on control of nutritional anemia. Ministry of Health and Family Welfare, Government of India, New Delhi.

Huque AAZ, Mavalankar D, Kwast B and Hazra M

- 1996 An evaluation report prepared for the Ministry of Health and Family Welfare of India. MotherCare, John Snow, Inc., USA.

ICMR

- 1994 A multientre collaborative study on the care of mothers and infants with a comprehensive MCH care package utilizing high risk approach strategy at primary health centres. An ICMR Task Force study, Indian Council of Medical Research, New Delhi.

ICMR

- 1992 Field supplementation trial in pregnant women with 60mg, 120 mg and 180 mg of iron with 500 mcg of folic acid. Indian Council of Medical Research, New Delhi.

ICMR

- 1989 Evaluation of the national nutritional anaemia prophylaxis programme. An ICMR Task Force study, Indian Council of Medical Research, New Delhi.

ICOMP

- 1997 Improving quality of care. Population Manager volume 5, Dohlie M and Satia J (eds). International Council on Management of Population Programmes (ICOMP), Kuala Lumpur, Malaysia.

IDRC and WHO

- 1991 Health Systems Research Training Series. International Development Research Center, Ottawa, Canada and World Health Organization, Geneva, Switzerland.

IIPS

- 2000 National Family Health Survey (NFHS 2) 1998-99, International Institute of Population Sciences, Mumbai.

IIPS

- 1995 National Family Health Survey (NFHS) 1992-93, International Institute of Population Sciences, Mumbai.

INACG

- 1985 Measurements of iron status. A report of the International Nutritional Anemia Consultative Group (INACG), Washington, DC, USA.

Iyengar L and Apte SV

- 1970 Prophylaxis of anemia in pregnancy. Am J Clin Nutr 23:725-730.

James WPT and Schofield EC

- 1990 Human energy requirements : A manual for planners and nutritionists. Oxford University Press, Oxford, UK.

Jelliffe DB

- 1966 The assessment of the nutritional status of the community. WHO Monograph Series No. 33, World Health Organization, Geneva, Switzerland.

Kanani S

- 1998 Nutrition and the reproductive and child health program : linkages, importance and future direction. A discussion paper, Department of Foods and Nutrition, M. S. University of Baroda, Baroda.

Kanani S, Latha K and Shah M

- 1994 Application of qualitative methodologies to investigate perceptions of women and health practitioners regarding women's health disorders in Baroda slums. In: Listening to women talk about their health – Issues and experiences from India. Gittelsohn J, Bentley ME, Pelto PJ, Nag M, Pachauri S, Harrison AD and Landman LT (Eds), Har-Anand Publications, New Delhi.

Kanani S and Patel S

- 1998 Anemia in pregnancy: Improving compliance with iron supplementation through home based counselling in urban slums of Vadodara. Department of Foods and Nutrition, M. S. University of Baroda, Baroda.

Kanani S and Zararia V

- 1996 Integrated Child Development Services (ICDS) as people view it: A social assessment of ICDS in Gujarat. Department of Foods and Nutrition, M. S. University of Baroda, Baroda.

Kardjati S et al

- 1988 Energy supplementation in the last trimester of pregnancy in East Java: I. Effect on birthweight. Br J Obstet Gynaecol 95:783-794.

Kelly A, Kevany J, de Onis M and Shah PM

- 1996 A WHO collaborative study of maternal anthropometry and pregnancy outcomes. Int J Gynaecol Obstet 53(3):219-233.

Khanna P

- 1994 Evaluative studies on management of national nutritional anemia prophylaxis program and national program for the prevention of blindness due to vitamin A deficiency in rural and urban Indore. Ph. D. dissertation, Department of Foods and Nutrition, M. S. University of Baroda, Baroda.

Khanna P and Kanani S

- 1994 Evaluative studies on management of national nutritional anemia prophylaxis program and national program for the prevention of blindness due to vitamin A deficiency in rural and urban Indore. Unpublished document, Department of Foods and Nutrition, M. S. University of Baroda, Baroda.

Klebanoff MA et al
