Prologue.....	01 to 04
Abstract.....	05 to 05
Chapter I Introduction and Review of Literature	06 to 48
An Overview.....	6
TI for HIV prevention.....	7
Counseling as preventive strategy in TI.....	8
Behavioral change theories, counseling theories & their application in HIV Prevention.....	11
Critical reflections on existing research on HIV counseling in India.....	34
Sexuality and counseling in Indian culture.....	37
Significance and rationale of the study.....	44
Conceptual framework on the Study.....	46
Objective of the research.....	47
Research questions.....	48
Summary.....	48
Chapter- II Methodology.....	49 to 90
An Overview.....	49
An intent of the research.....	49
Purpose of the qualitative research.....	49
An Overview of grounded theory methodology.....	50
Selecting an appropriate grounded theory methodology.....	51
Research design.....	59
Adapted constructivist grounded theory research process.....	60
Managing issues of reliability and validity.....	81
Ethical considerations.....	86
Delimitation of the study.....	87
Limitation of the study.....	88
Summary.....	89
Chapter III Results.....	91 to 195
An Overview.....	91
Section I: Participants' Background.....	91
Section II: Data analysis based on method of data collection.....	94
<i>HIV counseling practices.....</i>	<i>95</i>
<i>HIV counseling process.....</i>	<i>139</i>
<i>Behavior change process.....</i>	<i>145</i>
<i>Counselor's experiences.....</i>	<i>151</i>
<i>Field observations and researcher's notes.....</i>	<i>159</i>

Section III: Theoretical frameworks: Triangulation of the data.....	187
Section IV: Emerging grounded theory.....	188
Constructivist grounded theory of HIV counseling practice.....	191
HIV counseling in Indian cultural context: Key features.....	193
Section V: Summary.....	195
Chapter IV Discussion.....	196 to 224
An overview.....	196
Section I: Evaluation of emerging grounded theory.....	196
<i>Evaluation based on Charmaz's criteria.....</i>	198
<i>Evaluation based on Glaser's criteria.....</i>	202
Section II: Indigenous HIV counseling practices in TI context.....	204
<i>HIV counseling in Indian cultural context.....</i>	205
Section III: Theory and practice: Learning from ground practices.....	218
<i>Theoretical framework of counselors' experiences.....</i>	219
<i>Theoretical framework of HIV counseling process.....</i>	220
<i>Theoretical framework of behavior change process.....</i>	220
<i>Counselors' perspectives on counseling.....</i>	221
Section IV: Summary.....	223
Chapter V Conclusions and Recommendations.....	225 to 230
Conclusions.....	225
Recommendations	226
<i>Recommendations for counseling practice.....</i>	226
<i>Recommendations for counselors' training module.....</i>	227
<i>Recommendations for future research.....</i>	230
References.....	231 to 253
Appendices.....	254 to 269
Appendix A: Protocol for conducting in-depth interviews.....	253
Appendix B: Protocol for reviewing counseling documents.....	257
Appendix C: Protocol for conducting participant observation of counseling.....	259
Appendix D: Protocol for conducting field observations.....	260
Appendix E: Consent form for participation in-depth interview.....	261
Appendix F: Consent form for participant observation of counseling: For counselors.....	264
Appendix G: Consent form for participant observation of counseling: For clients.....	267
