

### List of Tables and Figures

#### Tables

Table 1: A comparison of counselling component in three surrogacy programmes .....	36
Table 2: Stages of surrogacy and corresponding contexts.....	69
Table 3: Emerged sampling distribution.....	70
Table 4: Data collection and recording methods .....	71
Table 5: Nationality of the commissioning parents .....	115
Table 6: Positive surrogacy experience by nationality of the commissioning parents ....	180
Table 7: Enabling conditions for satisfactory relationship with commissioning parents	181
Table 8: Justifications surrogate mothers provided to assert maternal identity.....	201
Table A1: ART/surrogacy visas issued to foreign nationals by India 2010-14 .....	310

#### Figures

<i>Figure 1.</i> An exponential rise in the number of ART clinics in India. ....	10
<i>Figure 2.</i> ART/surrogacy visas issued by India during 2010 – 2014. ....	13
<i>Figure 3.</i> HDI groups and ART/surrogacy visas issued by India 2010-14. ....	14
<i>Figure 4.</i> A summary of concerns regarding practice of ART and surrogacy.....	16
<i>Figure 5.</i> A predictive model of the customs complex of agency of the Indian self.....	52
<i>Figure 6.</i> The conceptual framework for the study. ....	54
<i>Figure 7.</i> Process of gaining access.....	62
<i>Figure 8.</i> Continuum of participant role in ethnographic research.....	65
<i>Figure 9.</i> Sampling parameters.....	68
<i>Figure 10.</i> Fieldwork details.....	73
<i>Figure 11.</i> Steps used in thematic analysis.....	77
<i>Figure 12.</i> Development of a thematic map. ....	79

<i>Figure 13.</i> Demographic, reproductive and economic profile of the women.....	86
<i>Figure 14.</i> Social profile of the women and their spouses. ....	87
<i>Figure 15.</i> Geographical spread of women by their place of residence. ....	89
<i>Figure 16.</i> Word frequency chart for motivations to participate in surrogacy.....	99
<i>Figure 17.</i> Surrogacy process in the pre-pregnancy phase.....	106
<i>Figure 18.</i> Women's recall of contents of the counselling session.....	107
<i>Figure 19.</i> Status of surrogate mothers' contact with commissioning parents.....	116
<i>Figure 20.</i> Surrogacy process post confirmation of the pregnancy.....	122
<i>Figure 21.</i> Surrogacy process post-delivery.....	128
<i>Figure 22.</i> Contexts and actors mediating experiences of the women.....	132
<i>Figure 23.</i> The number of embryo transfer attempts women underwent.....	154
<i>Figure 24.</i> Quality of women's relationship with their commissioning parents.....	165
<i>Figure 25.</i> Surrogacy perceived as a personal relation.....	176
<i>Figure 26.</i> Facilitators during surrogacy.....	178
<i>Figure 27.</i> A word frequency chart describing care work during surrogacy.....	192
<i>Figure 28.</i> The ideal surrogate role.....	198
<i>Figure 29.</i> Management of the surrogacy enterprise.....	200
<i>Figure 30.</i> Role of women in the decision-making to participate in surrogacy.....	211
<i>Figure 31.</i> Reasons for spousal resistance for participation in surrogacy.....	212
<i>Figure 32.</i> Complexities in the decision to participate in surrogacy.....	221
<i>Figure 33.</i> Contexts in which women exercised agency.....	227
<i>Figure 34.</i> Definitions of women's agency practices in the context of surrogacy.....	228
<i>Figure 35.</i> Preferences for selective disclosure of surrogacy endeavour.....	231
<i>Figure 36.</i> Manifestation of assertion in the context of surrogacy.....	236
<i>Figure 37.</i> Use of assertion by a surrogate mother in the clinical setting.....	239

<i>Figure 38.</i> Themes women used for negotiations to participate in surrogacy.....	240
<i>Figure 39.</i> Use of agency practices by women based on the type of decision making to participate in surrogacy.....	245
<i>Figure 40.</i> Comparative use of agency practices amongst two groups of women. ....	247
<i>Figure 41.</i> A custom's complex of women's agency in the context of surrogacy. ....	250
<i>Figure 42.</i> Positive impact of surrogacy on the lives of women. ....	256
<i>Figure 43.</i> Future plans of women post surrogacy. ....	260
<i>Figure 44.</i> Proposed phases of counselling in surrogacy. ....	275
