

A
Thesis Entitled
*Metal Nanoparticles Decorated on
Carbonaceous Solid Supports: Towards the
Development of Heterogeneous Catalysts*

Thesis Submitted To
The Maharaja Sayajirao University of Baroda
For The Degree of

Doctor of Philosophy

In
Applied Chemistry
By

Dikinkumar Subhashbhai Patel

Under the guidance of
Dr. Chetan K. Modi
Associate Professor
Applied Chemistry Department
Faculty of Technology & Engineering
The M. S. University of Baroda
Vadodara- 390 001

December-2020
