I take this opportunity to express my deep sense of gratitude to my supervisor Professor Dr. H.M.Patel for his persistent guidance and continuous encouragement throughout this work. His enthusiasm, constant support and patience helped me keep excitement for research and led to completion. I express my most sincere gratitude to him for his valuable guidance, co-operation, constructive criticisms and motivation. I will never forget his involvement and efforts to scrutinize my report and to provide useful suggestions to improve presentation. I am very much indebted to him for his invaluable sharing of his expertise, experience and resources. This research would have not been possible without his collaborative work and continuous guidance and support. I take this opportunity to pay my rich tribute to him.
