

ACKNOWLEDGEMENTS

I feel privileged to express my deep sense of gratitude and sincere thanks to my guide Dr. Geeta S. Joshi, Associate Professor, Civil Engineering Department of Faculty of Technology & Engineering, The Maharaja Sayajirao University of Baroda for her motivation and indispensable guidance towards the successful completion of this research work. During my association with her, I have been persistently encouraged and educated by her through fruitful discussions throughout the entire period of this research work. Her encouragement, support and feedbacks were invaluable to the completion of this study.

I express my sincere thanks to Prof. (Dr.) H. M. Patel, Head of Civil Engineering Department, for providing me the necessary facilities to complete my Ph.D. research work and encouraging me from time to time.

I am grateful to Prof. (Dr.) D. L. Shah and to Late Prof. (Dr.) A.S. Patel for extending their valuable help for the research progress.

I am grateful to authorities of Gujarat Pollution Control Board (GPCB), State Water Data Centre (SWDC) and National Remote Sensing Centre (NRSC), Hyderabad for facilitation of the data required for this research study.

I am heartily thankful to Dr. U. D. Patel, Shri L.I. Chauhan, Mrs. A.D. Galgale and Dr. N.G. Shah, for their invaluable suggestions in my work and cooperation during my research. I take this opportunity to thank Dr. M.B. Patel, Dr. N.J. Shrimali, Shri Gopal Bhatti, Dr. S.D. Shah and Dr. G.I. Joshi for extending their help in my research work. I am also thankful to all the staff members of Civil Engineering Department who have extended their help directly or indirectly in this work.

I wish to thank Dr. Purnima Pandit and Shri Shardav Bhatt of Applied Mathematics Department, Faculty of Technology & Engineering, who extended their help in research work.

This acknowledgement would be incomplete without mentioning the painstaking efforts and patience of my family. I express my sincere thanks to my parents, husband Mr. Amish Shah, daughter Priyanka and my sisters Nayna, Upma & Parul for their moral support, encouragement and cooperation throughout the course of my research work.

Above all, I wish to pay my most humble obeisance to the almighty God for giving me the inspiration and wisdom to take up the task.
