

Acknowledgement

In my entire life, I never thought I will get this huge opportunity to extend gratitude to people who have contributed the most in my life. This acknowledgment is a way to express my sincere gratitude to those people; it is a small effort to mark their importance in my existence.

No word in this entire world is enough to thank Allah (S.A.W) for giving me this opportunity. The guidance which I received is from Prophet Mohammad (P.B.U.H), whose teachings made me chose this path.

Let me take this opportunity to thank my Research Guide Prof. Dr. Chhaya Patel for her constant guidance, nurturance, and motherly care. She has been instrumental in unleashing the potentials in me. I would also like to thank our ever supportive Dean, Prof. Dr. M N Parmar who made sure that I develop myself in each and every phase of my life. I am also thankful to our Head of Department, Prof. Dr. Jagdish Solanki for supporting me in all thick and thin. Heartfelt thanks to my senior professors, Prof. Dr. Bhavna Mehta for her timely guidance and support, thanks are also due to Prof. Dr. Sunita Nambiyar forever enthusiastic support, Prof. Dr. Ankur Saxena for guiding me and supporting me, and also thank you, Dr Leena Mehta, for always guiding me.

I would like to thank all my respondents who have contributed in my study willingly and enthusiastically. Thanks are due to school authorities, school principals and teachers for their kind support. I am thankful to all the girls who have participated in my study. I am equally thankful to the parents of adolescent girls who have participated in my study without any biases.

I would like to take this opportunity to thank all the seminar experts who have provided their valuable inputs to our work presented. I would like to thank Dr. Dipti Oza for her valuable comments on my research, I would also like to thank Dr. Uma Joshi for her valuable comments, I also thank Prof. Dr. R C Patel for his comments, Thanks is also due to Prof. Dr. Pushpanadham for his inputs.

Thank you to the librarians of from Faculty of Social Work for their kind support. I am also thankful to the librarians of Friei University of Berlin, Germany during my stay in Germany for allowing me to refer to the materials relating to my study.

I would not be at this level without my parents. I would like to make a special mention about my parents Mr. Sarfaraz Ahmed Faruqui and Mrs. Nahid Khan Faruqui who live their life by looking at me. More than me, it is their dream to see me complete my Ph.D., and this whole thesis is for them. I have my big family behind me who made my dream of completing Ph.D. come true. My brothers have always supported me in achieving my dream, thank you Faruq, Noman, and Ramiz for being with me always. Tremendous support from Mohammad Sajid has helped me in pursuance of my dream, thank you for supporting me in every single way. I would also like to thank my best friends Khushbu and Niki for being my pillar of strength. This would not have been possible without you girls.

I owe a special thanks to my friends at faculty, Dr. Jayalaxmi Mahanty, Ms. Maria Jessica Sharma, Ms. Avani Vaghela, Ms. Nabila Qureshi, Ms. Divya Vasava, Ms. Hiral Parmar, Mr. Dipak Makwana, Dr. Satish Kumar. I would also like to thank my Ph.D. colleague and friend, Ms. Kavita Sindhav for being there with me. Thank you Ms. Alpa Parmar for helping me a lot with statistics and bearing with me, without you statistics would have been difficult for me. I would also like to thank Mr. Bhumi Trivedi for supporting me.

Thank you, everyone!!!
