

List of Figures

Figure 1-1Steps of Knowledge Discovery in Databases.....	4
Figure 1-2 The Text Mining Process	7
Figure 3-1 Types of Stemming Algorithms	32
Figure 3-2 The Vector Space Model.....	36
Figure 3-3 Word frequency diagram(S, 2018)	37
Figure 3-4The term and document frequencies	39
Figure 4-1. Meaning of sentences and words	47
Figure 4-2 Singular Value Decomposition	51
Figure 5-1 Typical supervised learning framework	61
Figure 5-2 Proposed Model.....	70
Figure 5-3 Threshold selection method	73
Figure 5-4 Algorithm of the Recursive Feature Elimination	75
Figure 5-5 Common evaluation metrics.....	76
Figure 5-6 Comparison of chart for average recall of different summarization techniques.....	81
Figure 5-7 Comparison of chart for average precision of different summarization techniques.....	82
Figure 5-8 Comparison of chart of average F-score of different summarization techniques.....	82
Figure 5-9 Training sets document visualization for Document 1	84
Figure 5-10 Test sets document visualization for Document 1	85
Figure 5-11 Training sets document visualization for Document 2	85
Figure 5-12 Test sets document visualization for Document 2	86
Figure 5-13 Training sets document visualization for Document 3	86
Figure 5-14 Test sets document visualization for Document 3	87
Figure 6-1 The Machine Learning Process (SearchCloudComputing, 2019)	90
Figure 6-2 The Deep Learning Process (SearchCloudComputing, 2019)	91
Figure 6-3 The Hybrid Model.....	92
Figure 6-4 SOM Training Algorithm (Pacella, Grieco and Blaco, 2016)	97
Figure 6-5 SOM Visualization.....	101
Figure 6-6 Deep Neural Network and Multilayered Deep Neural Network architecture	102
Figure 6-7 The ANN process.....	111
Figure 6-8 Linear Activation Function (Towards Data Science, 2019).....	111
Figure 6-9 Non-Linear Activation Function (Towards Data Science, 2019).....	112
Figure 6-10 Sigmoid activation function (Learning and R), 2018.....	113
Figure 6-11 Hyperbolic tangent function (Learning and R), 2018).....	114
Figure 6-12 ReLU activation function (Learning and R), 2018	114
Figure 6-13 Comparison chart for average recall obtained from different summarization tools	118

Figure 6-14 Comparison chart for average precision obtained from different summarization tools	120
Figure 6-15 Comparison chart of average F-score obtained from different summarization tools	121
Figure 6-16 Comparison chart for average recall obtained from different summarization tools	124
Figure 6-17 Comparison chart for average precision obtained from different summarization tools	125
Figure 6-18 Comparison chart for average F-score obtained from different summarization tools	125
Figure 6-19 DUC 2004 Dataset Comparison.....	126
Figure 6-20 Opinions Dataset Comparison	127
Figure 6-21 DUC 2004 and Opinions Datasets combined comparison	127
