

# Acknowledgements

A journey is easier when travel together. Interdependence is certainly more valuable than independence. This thesis is the result of work whereby I have been accompanied and supported by many people. It is a pleasant aspect that I have now the opportunity to express my gratitude for all of them. With immense pleasure I express my deep and sincere gratitude, regards and thanks to my thesis guide **Professor Sathish Kumar Joshi** for their excellent guidance, invaluable suggestions and continuous encouragement at all stages of my research work. I am thankful to them for their constant support, inspiring discussions and generous help during entire work. Their wide knowledge and logical way of thinking have been of great value for me.

I express my sincere thanks to **Mr. Kuman Siddhapura** and **Dr. Mitesh Popat** for their generosity and giving me valuable guidance, which improved the quality of my research work.

I also express my gratitude to, **Mr. Nirav Karelia** , **Mr. chirag Jasani**, **Mr. Alpesh Adesara**, and **Ms Vina Chauhana** for their support and encouragement on many occasions during the course of my research work.

I am thankful to all **staff members** of Electrical Engineering Department of **V.V.P.Engineering College** for their help in the experimental work. I take this opportunity to express sincere thanks to **my colleagues and friends** for their help and co-operation.

I extend my deepest gratitude to **my parents, wife and son** for their invaluable affection, encouragement and support to pursuit my dream. I am indebted to them. I am thankful to all, those who have helped me directly or indirectly in my research work.

**Mr. Rakesh Kantaria**
