

Investigations on Mechanical and Thermal Behaviour of Fiber Reinforced Polymer Composites

By

Parmar Vijaykumar Mohanlal

(FOTE/901 Dt.07/05/2016)

A thesis submitted to the Maharaja Sayajirao University of Baroda in
fulfilment of the Requirement of Degree of

DOCTOR OF PHILOSOPHY

In

MECHANICAL ENGINEERING

Supervised by

Dr.Piyush Gohil

Associate Professor,

Department of Mechanical Engineering, Faculty of Technology and Engineering,
The Maharaja Sayajirao University of Baroda, Vadodara
