

## **ACKNOWLEDGEMENT**

तदविज्ञानर्थम स गुरुं एवाभिगच्छेत ।  
समाधियाणी श्रोत्रियं ब्रम्हनिष्ठम ॥

With the blessings of Almighty God, I am honored to have Prof. (Dr.) Someshwar S. Bhattacharya, Dean, Faculty of Engineering and Technology, as my research guide, who is always available for his invaluable insight, benevolent guidance and a constant source of inspiration throughout the course of this work.

I gratefully acknowledge the immense support of Mr. Bhoopesh Kumar Chaurasia, President, Garden Silk Mills, Surat, to permit myself to work with them in the project of modification of PET-FDY spinning line for mother yarn.

I want to convey my sincere thanks to Mr. Rajesh Dubey, General Manager (Spinning), Garden Silk Mills, and Mr. Vishnu Kant Mishra for their unconditional support and help in completing this uphill task.

I am also thankful to Mr. Rajiv Katiyar, Assistant Vice-president (Marketing), Garden Silk Mills, for rendering his valuable help in exploring Surat's market related with the consumption of Polyester monofilaments and its various end uses.

I also extend my thanks to Mr. A.K.Sharma, former Head of Department of Mechanical Engineering, R.M.S. Polytechnic, Vadodara, my colleagues Mr.Hiren Amin and Mrs. Pooja Chowksi for the time spent with them during the coursework.

It is my pleasure to express my thanks to my young friends Parv Patel, Rajat Ranjan and Anish Patel for their voluntary support time to time.

I also acknowledge the help extended by Mr. Sunil Patel, Jiten Patel, Heena Patel and Mrs Neha Dani in collecting fabrics made from different weavers using polyester monofilaments and also helping me at the time of final editing of thesis.

I am highly thankful to the faculty members of Textile Engineering Department, M.S.University, Baroda, especially Dr. M.V. Koranne, Ms (Dr) Tasnim Shaikh and Dr.Aadhar Mandot for their positive inputs and help regarding my work.

I would like to thank all those who have directly or indirectly helped me in the completion of this task.

Finally, from the depth of my heart, I express my gratitude, reverence, and indebtedness to the worthy elders and members of my family for their blessings, endless love, support and encouragement in successfully completing this research project specially my wife Dr Indu, beloved daughter Dr Aditi and my dear son Anuj Sullere.

Above all, it is only HE, who bestowed upon me strength, wisdom, and energy to complete this assignment.
