|----------------------------------------------------------------------|--------|
| 1. Frequency Polygon Age Group 13 years                              | 204(a) |
| 2. Frequency Polygon Age Group 14 years                              | 204(b) |
| 3. Frequency Polygon Age Group 15 years                              | 204(c) |
| 4. Frequency Polygon Age Group 16 years                              | 204(d) |
| 5. Frequency Polygon Age Group 17 years                              | 204(e) |
| 6. Frequency Polygon Whole Group                                     | 204(f) |
| 7. Smoothed and Unsmoothed Frequency Polygons<br>Age Group 13 Years  | 205(a) |
| 8. Smoothed and Unsmoothed Frequency Polygons<br>Age Group 14 Years  | 205(b) |
| 9. Smoothed and Unsmoothed Frequency Polygons<br>Age Group 15 Years  | 205(c) |
| 10. Smoothed and Unsmoothed Frequency Polygons<br>Age Group 16 Years | 205(d) |
| 11. Smoothed and Unsmoothed Frequency Polygons<br>Age Group 17 Years | 205(e) |
| 12. Smoothed and Unsmoothed Frequency Polygons<br>Whole Group        | 205(f) |
| 13. Histogram Age Group 13 Years                                     | 206(a) |
| 14. Histogram Age Group 14 Years                                     | 206(b) |
| 15. Histogram Age Group 15 Years                                     | 206(c) |
| 16. Histogram Age Group 16 Years                                     | 206(d) |
| 17. Histogram Age Group 17 Years                                     | 206(e) |
| 18. Histogram Whole Group                                            | 206(f) |

|                                                                               |        |
|-------------------------------------------------------------------------------|--------|
| 19. Best-Fitting Normal Curve Superimposed on<br>Histogram Age Group 13 Years | 209(a) |
| 20. Best-Fitting Normal Curve Superimposed on<br>Histogram Age Group 14 Years | 209(b) |
| 21. Best-Fitting Normal Curve Superimposed on<br>Histogram Age Group 15 Years | 209(c) |
| 22. Best-Fitting Normal Curve Superimposed on<br>Histogram Age Group 16 Years | 209(d) |
| 23. Best-Fitting Normal Curve Superimposed on<br>Histogram Age Group 17 Years | 209(e) |
| 24. Best-Fitting Normal Curve Superimposed on<br>Histogram Whole Group        | 209(f) |
