

## ACKNOWLEDGMENT

The present study has been completed under the supervision of Prof. (Dr.) G.C.Maheshwari, Professor in Finance and Accounting, Faculty of Management Studies, the M.S. University of Baroda, Baroda. I am greatly obliged for his valuable guidance in completing this study. In fact there are no words to express my gratitude to Prof.(Dr.) G.C. Maheshwari, for the intellectual discussion, valuable suggestions, timely encouragement in moulding the work in the present format. Without his personal involvement, warmth of affection and whole hearted dedication I would not have completed the present study. I am indeed, greatly indebted to him.

I am also obliged to Prof.(Dr.) S.Kumar, Head of the Department, Department of Business and Industrial Management, South Gujarat University, Surat and other faculty members for their kind cooperation throughout the duration of the study by accommodating my requests even at their inconvenience. I am grateful to Dr. M.B. Dave, Reader, Department of Economics, South Gujarat University, Surat for clarifying the statistical issues related to the study.

My sincere thanks to the Librarian, Indian Institute of Management, Ahmedabad for allowing me to use the Library throughout my work for referring valuable materials and collecting data from various secondary sources. I also thank Shri Kashyap Mehta, Company Secretary, Diamines Ltd.,

Ahmedabad, and Shri Asit Somani, Chartered Accountant, Gujchem Ltd., Ahmedabad, for providing me data sources required for the study.

I am also thankful to the following persons provided the hardware and the software computer facilities during the study : Shri Nrupesh Shah, Chartered Accountant, Shri Kalpesh Shah, Partner, Technocrats Services, Shri Tamal Roy, Director, Surat Computers Pvt. Ltd. for providing me the hardware facilities; Shri Bhavesh Ahiya, Manager, MIS, GMMFL, Anand, Shri Ravi Gunlati, Manager, EDP, Surat Electricity Co. Ltd., for making computer programs relevant for study.

I acknowledge with sincere thanks, the painstaking efforts put in by Shri Manish Patel, Mexim Consultants, Surat and Dr. G. Ravishankar, Lecturer, Department of Linguistics, South Gujarat University, Surat for editing the manuscript, despite their busy schedules. I acknowledge with pleasure the services provided by Shri Dinesh Mehta and Shri Dinesh Modi in typing and printing the work in the present form.

Last but not the least, the role of my family members is indeed crucial for the successful completion of the work. I am specially thankful to my parents and my wife Shilpa, for the moral support and meaningful cooperation and every sacrifice which remained crucial for the successful completion of the work.
