

### USEFULNESS OF THE STUDY

This study would be useful to the students and teachers who will find this as an excellent supplementary source of historical aspects of costumes of rulers of Mewar.

It would be an invaluable source to theatrical and movie producers to produce a 'period-piece'.

Authentic informations pertaining the garments worn by the rulers at different periods and its construction techniques are made available to the fashion designers and artists.

This study would give a thorough knowledge of the costumes and textiles used by the rulers of Mewar from earlier times to the present.
