

A C K N O W L E D G E M E N T S

I take this opportunity to express my deep sense of gratitude to Dr. R. P. Bhatt, for his valuable guidance and constant encouragement throughout these investigations.

It is indeed a great pleasure to thank Prof. C.H.Pathak, (Head, Department of Botany, M. S. University, Baroda) for his unfailing encouragement and for providing necessary facilities to carry out this work. I gratefully acknowledge here, the timely help rendered and valuable suggestions given by Dr. S. D. Sabnis (Reader, Department of Botany, M.S.University, Baroda) during the course of work. Grateful acknowledgements are due to Prof. M. S. Chennaveeraiah (Head, Department of Botany, Karnatak University, Dharwar) for allowing me to use his personal library and for his suggestions during these investigations. I record my sincere thanks to Prof.C.V.Ramakrishnan (Head, Department of Biochemistry, M.S.University, Baroda) for providing necessary facilities to carry out the work pertaining to DNA estimation in his laboratory.

Research fellowship given by Government of Gujarat is gratefully acknowledged. My thanks are extended to the Director, Kew Botanic Gardens, England, A. E. O. Chabeda, The National Agricultural Research Station, Kenya; Forest Research

Institute, Dehradun, Botanical Survey of India (Southern Circle), for sending the seeds and for confirming the identifications of Herbaria.

I very much appreciate the help rendered by Dr. J. B. Gillett and Dr. R. M. Polhill of Kew Botanic Gardens, England, for confirmation of plants and other nomenclatural problem.

I am very much thankful to my colleagues Mrs. Aparna Dasgupta for her help at various stages of this work. I thank Dr. Daniel, Miss Pushpa Bhagwanani and Mr. R. J. Asari for their help during this work. I wish to thank Mr. M. C. Kulkarni for attending to the problems of laboratory, Mr. P. T. Dindorkar, for photography work and Mr. P. S. Bhoite for typing work.

The help rendered by all other colleagues in the Department of Botany, is gratefully acknowledged.

Cytology Laboratory,
Department of Botany,
The M. S. University of Baroda,
BARODA. INDIA.
