

LIST OF TABLES

Table No.	Title	Page
1.	Variablewise Frequency and Percentage Distribution of First Year Home Science Students.	116
2.	T-Ratio, Showing Significant Differences in the Pretest-Posttest Scores Indicating Gain in Knowledge Regarding "Women and Law", in the Seven Films.	125
3.	ANCOVA, Showing Significance of Differences in the Post Scores After Removing the Effect of Pre Scores in the Knowledge by Learning Through the Video Films on "Women and Law", and the Stream of Study.	131
4.	Distribution of T-Ratio, Showing Significant Differences in Pretest- Posttest Scores of Respondents, on the Seven Video Films in Relation to Stream of Study.	133
5.	ANCOVA, Showing Significance of Differences in the Post Scores After Removing the Effect of Pre Scores in the Knowledge by Learning Through the Video Films on "Women and Law", and the Medium of Instruction.	135
6.	Distribution of T-Ratio, Showing Significant Differences in Pretest-Posttest Scores of Respondents, on the Seven Video Films in Relation to Medium of Instruction.	137
7.	ANCOVA, Showing Significance of Differences in the Post Scores After Removing the Effect of Pre Scores in the Knowledge by Learning Through the Video Films on "Women and Law", and the Place of Residence.	140
8.	Distribution of T-Ratio, Showing Significant Differences in Pretest- Posttest Scores of Respondents, on the Seven Video Films in Relation to Place of Residence.	142
9.	ANCOVA, Showing Significance of Differences in the Post Scores After Removing the Effect of Pre Scores in the Knowledge by Learning Through the Video Films on "Women and Law", and the Social Science Inclination.	144

Table No.	Title	Page
10.	Distribution of T-Ratio, Showing Significant Differences in Pretest- Posttest Scores of Respondents, on the Seven Video Films in Relation to Social Science Inclination.	146
11.	ANCOVA, Showing Significance of Differences in the Post Scores After Removing the Effect of Pre Scores in the Knowledge by Learning Through the Video Films on "Women and Law", and the Legal Exposure of Family.	149
12.	Distribution of T-Ratio, Showing Significant Differences in Pretest-Posttest Scores of Respondents, on the Seven Video Films in Relation to Legal Exposure of Family.	150
13.	ANCOVA, Showing Significance of Differences in the Post Scores After Removing the Effect of Pre Scores in the Knowledge by Learning Through the Video Films on "Women and Law", and the Social Work Background.	153
14.	Distribution of T-Ratio, Showing Significant Differences in Pretest-Posttest Scores of Respondents, on the Seven Video Films in Relation to Social Work Background.	154
15.	ANCOVA, Showing Significance of Differences in the Post Scores After Removing the Effect of Pre Scores in the Knowledge by Learning Through the Video Films on "Women and Law", and the Mother's Occupation.	157
16.	Distribution of T-Ratio, Showing Significant Differences in Pretest-Posttest Scores of Respondents, on the Seven Video Films in Relation to Mother's Occupation.	159
17.	ANCOVA, Showing Significance of Differences in the Post Scores After Removing the Effect of Pre Scores in the Knowledge by Learning Through the Video Films on "Women and Law", and Video/T.V. Exposure.	162
18.	Distribution of T-Ratio, Showing Significant Differences in Pretest-Posttest Scores of Respondents, on the Seven Video Films in Relation to Video/T.V. Exposure.	164
19A.	ANCOVA, Showing Significance of Differences in the Post Scores After Removing the Effect of Pre Scores in the Knowledge by Learning Through the Video Films on "Women and Law", and the Socio-Economic Status.	167

Table No.	Title	Page
19B.	ANCOVA, Showing Significance of Differences in the Knowledge by Learning Through the Four Video Films and the Socio-Economic Status.	168
20.	Distribution of T-Ratio, Showing Significant Differences in Pretest-Posttest Scores of Respondents, on the Seven Video Films in Relation to Socio-Economic Status.	170
21.	ANCOVA, Showing Significance of Differences in the Post Scores After Removing the Effect of Pre Scores in the Knowledge by Learning Through the Video Films on "Women and Law", and the Modernity.	174
22.	Distribution of T-Ratio, Showing Significant Differences in Pretest-Posttest Scores of Respondents, on the Seven Video Films in Relation to Modernity.	175
23.	ANCOVA, Showing Significance of Differences in the Post Scores After Removing the Effect of Pre Scores in the Knowledge by Learning Through the Video Films on "Women and Law", and the Personality of the Students.	178
24.	Distribution of T-Ratio, Showing Significant Differences in Pretest-Posttest Scores of Respondents, on the Seven Video Films in Relation to the Personality of the Students.	179
25.	ANCOVA, Showing Significance of Differences in the Post Scores After Removing the Effect of Pre Scores in the Knowledge by Learning Through the Video Films on "Women and Law", and Academic Achievement.	181
26.	Distribution of T-Ratio, Showing Significant Differences in Pretest-Posttest Scores of Respondents, on the Seven Video Films in Relation to Academic Achievement.	183
27.	ANCOVA, Showing Significance of Differences in the Post Scores After Removing the Effect of Pre Scores in the Knowledge by Learning Through the Video Films on "Women and Law", and the English Competence.	186
28.	Distribution of T-Ratio, Showing Significant Differences in Pretest-Posttest Scores of Respondents, on the Seven Video Films in Relation to English Competence.	188
