

ACKNOWLEDGMENTS

It was a great privilege to work under the able guidance of Dr. Arvinda Chandra, Professor, Department of Education and Extension. I would like to convey my deepest gratitude for all her systematic guidance, constant advice and wise suggestions and support in conducting this research.

The valuable suggestion and advice provided by Dr. A. Shah, Head, Department of Education and Extension, is sincerely acknowledged. I am also grateful to all the experts from the Faculty of Home Science, Centre of Advance Study in Education, Department of Psychology, Baroda, and Indian Space Research Organisation, Ahmedabad, for all their help and efforts. My thanks also to all the experts for their valuable suggestions at the time of validation of tool.

With warm gratitude I acknowledge the co-operation extended by the teachers teaching the first year students in the Faculty of Home Science,, M.S. University of Baroda, who helped to make it possible for me to carry out the experiments during some of their classes.

I also acknowledge the co-operation extended to me by the first year students (1992-93) without which it would not have been possible to carry out the experiment of the present study.

I express my special thanks to Dr. N.S. Pathak, Dean, Faculty of Education and Psychology, Baroda, for his help and suggestions in statistical analyses.

My sincere thanks to Ms. Geeta Parikh and Mr. Atul Mehta, lawyers, in the District Court of Baroda, for their valuable help and guidance.

I extend my thanks to Mr. Ilesh Vyas and Mr. Satyan for shooting, editing and in preparations of the video films.

I am thankful to Mr. Kalpesh Pandya, Asst. Technician of the Department of Home Science Education and Extension, in arranging the video film shows.

Mr. K.K. Bansal deserves credit for the help he provided in computerising the data.

My thanks are also due to Mr. R.S. Buch for patiently typing this thesis.

I am grateful to my husband Dr. Mahesh Pandya for his everwilling help and support in various phases of the research. I extend my profound thanks to him and my dear sons Siddhartha and Shrikanth whose love and sacrifice was the source of encouragement for the completion of my Ph.D. programme.

I am in loss of words to express my deepest gratitude and appreciation to my mother and father. Their encouragement, unending motivation and help acted as a constant source of inspiration to me and my work. I take this opportunity to convey heartfelt thanks to them for their never failing love.
