

Acknowledgements

I am deeply indebted to my advisor, supervisor Dr. N.S.R Krishnayya for his constant support. Without his help, this work would not have been possible. I must thank Dr. Neeta Pandya for her valuable support throughout my research work. I would also like to thank Dr. S.S Ray and Mr. Manjunath for their encouragement and help throughout my study. I acknowledge SAC-ISRO for providing financial assistance.

I would also like to thank my laboratory mates Vallabhi, Nirav, Shrena, Aparna, Alka di, Shivangi di, Bhavna di, Manjit, Divya, Dinakaran, Krishna for their invaluable advice, support and for providing me excellent environment for my work. A special thanks also goes to Binal di who greatly enriched my knowledge with her exceptional insights. I am thankful to the Head, Department of Botany, The M.S.University of Baroda for providing facilities.

I would like to thank my best friend Sandhya for her great support and commendation throughout my study. I am also thankful to my family for their support. I am also greatly obliged to my sister for her constant encouragement throughout my study.

My sincere gratitude to Hasmukhbhai for his help and support. I am also thankful to the non-teaching staff members of the Department of Botany for their sincere help and support.
