

**LIST OF RESEARCH  
PUBLICATIONS**

*List of Research Publications*

1. G. Sreelatha and P. Padmaja, "Study of Removal of Cationic Dyes Using palm shell powder as Adsorbent", *Journal of Environmental Protection Science*, 2(2008) 63-71.
2. G. Sreelatha, S. Kushawa, V.J.Rao and P. Padmaja, "Kinetics and equilibrium studies of Adsorption of Anionic dyes using Acid treated palm shell," *Ind. Eng. Chem. Res.*, 49(17) (2010) 8106-8113.
3. G. Sreelatha, V. Ageetha, J. Parmar and P. Padmaja, "Equilibrium and kinetic studies on Reactive dye adsorption using Palm shell powder (an agro waste) and Chitosan," *J. Chem. Eng. Data.*, (2010) (Accepted).
4. G. Sreelatha, S. Kushawa and P. Padmaja, "Adsorption studies of Pesticides using Acid treated Palm shell powder" (Communicated).
5. G. Sreelatha, V. Ajeetha, S.P. Ramani, N. Maitreyee and P. Padmaja, "Low dose Irradiation Studies of Pesticides" (Communicated).
