

LIST OF FIGURES

<u>Figures</u>		<u>After page</u>
2.1	Bara Tract Jambusar, Location in Gujarat	16
2.2	Location of villages	17
2.3	Relief	19
2.4	Survey of India Topographic Maps (Bara Tract, Jambusar).	19
2.5	Artificial Drains and Embankments.	26
2.6	Soils	39
2.7	Soil Regions.	39
2.8	Population : Distribution and Growth	46
3.1	Change in Net Sown Area	64
3.2	Change in Fallow land	69
3.3	Change in Grazing Land	76
3.4	Change in Land under settlements and Other Uses.	81
3.5	Change in Roads area	83
3.6	Change in area under Hade Pakdelo Marg (Road to fields).	86
3.7	Change in Tanks and Ponds.	92
3.8	Change in area under Khar Land	102
3.9	Change in area under Ravines, Creeks and wasteland.	108
4.1	Change in area under cotton cultivation.	126
4.2	Change in Jowar Cultivation Area.	133
4.3	Change in Rice Cultivation Area	137
4.4	Change in Bajri Cultivation Area	140
4.5	Change in Fodder Cultivation Area	146
4.6	Change in Pulse Cultivation Area	149
4.7	Change in Oilseeds cultivation area	158

<u>Figures</u>		<u>After pages</u>
4.8	Change in wheat cultivation Area	162
4.9	Increasing and Decreasing Crops.	164
4.10	Total Volume of change in Cropping Pattern	166
5.1	Ranking of Crops (1959-60)	171
5.2	Ranking of Crops (1979-80)	172
5.3	Crop Combination Regions	180
5.4	Crop Diversification	194
6.1	Cropping Pattern influenced by distance from market (Jambusar and Kavi)	208
6.2	Population and Net Sown area (Linear Regression 1961)	210
6.3	Population and Net Sown Area (Linear Regression 1981).	212
6.4	Percentage Area and Prices of Selected Crops.	215
6.5	Rainfall-Cultivation Relationship in villages.	215
