

A C K N O W L E D G E M E N T S

I am enormously thankful to Dr. C. H. Pathak, M.Sc. (Bom.), Ph. D. (Minn.), F.B.S., Professor of Botany, The Maharaja Sayajirao University of Baroda, Baroda for his valuable guidance and lavish encouragement throughout the period during which this work was carried out.

My sincere thanks are due to Dr. G. Prathapasenan, M.Sc., Ph. D. for all the help he had rendered to me for the successful completion of the present work.

Prof. S. D. Sabnis, M.Sc., Ph. D., Dip. Museol. had been a source of great encouragement and help. I express my sincere thanks to him.

I am highly thankful to Prof. A. R. Mehta, M.Sc., Ph.D. (Wales), Head, Department of Botany for kindly permitting me to carry out the work in his department, and also for his words of encouragement.

I wish to record my sincere thanks to Dr. Kamlesh Lulla, M.Sc., Ph. D., an young ecologist, who is at present working in the Indiana State University, Indiana, U.S.A., for acquainting me with the practical aspects of the productivity approach of ecology. The interest shown by Drs. R. P. Bhatt, S.N. Padate and S. J. Bedi in the present work is also thankfully acknowledged.

I take this opportunity to express my sincere gratitude to Mrs. Devamony Dey, M.Sc. (Stat.), D.P.S. and Mr. A. S. Dey, M.Sc. (Stat.), M.Sc. (Math.), B.Ed., D.P.S. of the Population Research Centre, The M.S. University of Baroda for sparing their valuable time for helping me to analyse the data statistically.

The help rendered by Drs. R. G. Panicker, Thomas V. of the Department of Zoology and Mr. J. R. Dave, Engg. Dept. of the University is also thankfully acknowledged. My thanks are due to my colleagues Dr. M. Daniel, Dr. N. Subhash and Mr. M. Ravikiran for their timely help during the preparation of this thesis.

To Dr. R. M. Patel, Chief Agronomist, G.S.F.C. Baroda, I am extremely thankful for getting the soil samples analysed in his laboratory, supplying the fertilizers and also for his valuable suggestions.

My sincere thanks are also due to Mr. M. C. Kulkarni, for helping in the administrative problems and M/s. P. S. Bhoite and D.M.Mohite for the excellent work in typing out this thesis.

Finally I place on record my sincere thanks to the University Grants Commission for its novel scheme viz. Faculty Improvement Programme which only made it possible for me to take up the present work, to the Government of Kerala for sponsoring me and to the Manager of S. N. Colleges, Quilon for kindly relieving me from the College in time for accepting the fellowship in pursuit of this work.

(T. K. Balachandran).
