CHAPTER	S.NO.	T A B L E S PART 'A'	PAGE
IV.	1.	Number of colleges towhom the questionnaires were sent and the response received.	80
V.	2.	The controlling agency.	86
	3.	Residential facilities.	88
	4.	Attached practising or experimental schools.	90
	5.	The enrolment limitation.	92
	6.	Controlling authorities and enrolment limitations.	93
	7.	The medium of instruction.	94
	8.	The student-teacher ratio.	96
	9.	The student-teacher ratio as against the strength of the college.	97
	10.	Qualifications of art instructors.	103
VI.	11.	Other essential qualifications.	105
	12.	Procedures adopted for selecting candidates for training.	109
	13.	General facilities offered by the training colleges.	112
VII.	14.	The general aims of the training colleges.	129
	15.	The specific aims of the training colleges.	131.
	16.	The adequacy and inadequacy of the training programme.	134
	17.	The subjects for the theory.	141
	18.	Combination of papers in theory.	144
	19.	Number of special methods.	147
	20.	Minimum requirements for selecting the special methods.	148
	21.	Subjects for advance study or specialization	150
	22.	Methods of instruction by the staff.	151
	23.	Class records in theory.	152
	24.	Criticism lessons.	155
	25.	Procedure adopted for practice teaching.	158
	26.	Strength of the class for practice teaching by the trainees.	160
	27.	Class records regarding teaching practice.	162
	28.	No.of main and subsidiary crafts.	164
	29.	Nature of target in craft work.	165
	30.	Class records in craft work.	167
	31.	Aspects of community life.	170
	32.	Class records in community life.	174
	33.	Tutorial system in the training colleges.	176
	34.	Aspects of tutorial work.	177
	35.	Class records in tutorial work.	178
	36.	Nature of practical and field work	179
	37.	Classrecords in practical and field work.	182
	38.	Nature of assessment.	184
	39.	Marks for internal and external assessment.	193
	40.	Internal assessment of practice teaching.	197

- XI -

CHAPTER	S.NO.	PAGE.
	41. External assessment of practice/ teaching.	198
	42. Nature of award.	200
	43. Kind of award.	201
	44. Conditions for the final award.	202
VIII.	45. Provision for research section.	204
	46. No. of training colleges having Extension Service Departments.	210
	47. In-service training programme.	211
	48. Impact of in-service training programme on programme on teacher - education.	213
	49. Relationship with pre tising and other schools	218
	50. Relationship with the Education Department.	220
	51. Relationship with other local training institutions.	222
	52. Relationship with other training institutions in the State or Province.	223
	53. Relationship with other training institutions in the country.	225
	54. Relationship with other training institutions in other parts of the world.	226
	55. Relationship with the Community.	227
	56. Relationship with the trained teachers.	229
X.	57. Distribution of the questionnaire and response.	260
	58. The general and specific aims of a training college.	262
	59. The duration of the course and the <del>xxx</del> basic education standard for admission.	272
	60. Medium of instruction.	275
	61. Medium for assessment and sessional work.	276
	62. The administrative and academic control of the training college.	278
	63. The student teacher ratio and enrolment limitation.	282
	64. Number and type of schools to be attached to the training college.	285
XI.	65. Type of training college.	290
	66. Qualifications and experience of the staff.	293
	67. Composition of the training college staff.	300
	68. The work load of the staff of the training college.	302
	69. Number of lessons to be supervised by a staff member per period.	305
	70. Number of lessons to be supervised by a staff member per day.	305
	71. Residential facilities for the staff.	309
	72. Medical facilities for the staff.	309
	73. Essential facilities regarding development of professional knowledge and improvement of their qualifications.	313

- XII -

CHAPTER	S.NO.		PAGE
	74.	Essential facilities regarding experimental and research work.	318
	75.	Essential facilities regarding exchange of views with other training colleges, on educational matters.	321
	76.	Essential facilities regarding knowledge and study of educational problems in school.	324
	77.	Essential facilities regarding expression of personal views on educational matters.	327
	78.	Facilities regarding promotion of better relations with the trainees.	330
	79.	Recreational facilities.	332
	80.	Subsidiary qualifications and experience for admission to the training college.	338
	81.	Age limit.	342
	82.	Factors that should disqualify a person from seeking admission to the training college.	344
	83.	Selection of candidates for training.	348
	84.	Co-ordination of the various selective agencies.	353
	85.	<del>Desirability</del> of reservation of seats for various candidates.	355
XII.	86.	Essential aspects of the training programme.	370
XIII.	87.	Subjects as part and full papers.	373
	88.	No. of special methods to be selected by a trainee.	390
	89.	Qualifications and experience for selecting the special methods.	393
	90.	No. of optional subjects to be selected.	396
	91.	Duration of time for each paper.	399
	92.	Suggestions for the advancement of theoretical knowledge.	401
	93.	Records of work in theory.	404
XIV.	94.	Procedure for teaching practice.	410
	95.	Types of schools for teaching practice.	415
	96.	Competent authority to give demonstration lessons.	421
	97.	Reasons for supply of notes of demonstration lessons.	423
	98.	Reasons against supply of notes of demonstration lessons.	425
	99.	Authority to supervise the teaching practice.	430
	100.	No. of lessons to be supervised by different people.	432
	101.	More number of lessons to be given by the fresh candidates.	437
	102.	Number of criticism lessons in each method.	441
	103.	Facilities for teaching practice.	442
	104.	Records in teaching practice.	446

- XIII -

CHAPTER	S.NO.	PAGE
XV.	105. Nature of target in craft work.	451
	106. Disposal of the craft produce.	454
	107. Utilization of the returns of craft work	457
	108. Facilities required for craft work.	459
	109. Items of records in craft work.	462
XVI.	110. Aspects of community life.	468
	111. Number of trainees in a tutorial group.	474
	112. Items of records in community life.	479
XVII.	113. Reforms to be introduced in the examination system.	493
	113(a) Nature of assessment and scoring.	503(a)
	114. Measures towards uniformity in the evaluation of sessional work.	509
	114(a) Composition of the assessment board for evaluation of the practical aspects of school experience, craft work and community life.	511(a)
	115. Conditions for allowing the trainees to appear for the final assessment.	515
XVIII.	116. Outline of the programme of the extension service department.	528
	117. Measures to be adopted for undertaking follow-up work.	545
	118. Methods to be adopted for evaluating the training programme.	553
	119. Financing authority for the research section.	564
	120. Authority to suggest problems for research.	566
	121. Criteria for acceptance of problems for research.	568
	122. Competent authority to take up research work.	570
	123. Measures for co-ordinating the research work	574
	124. Relationship of the training college with schools.	576
	125. Relationship of the training college with the education department.	579
	126. Relationship of the training college with other training institutions in the country.	582
	127. Relationship of the training college with the training institutions outside the country.	584
	128. Relationship of the training college with teachers' professional associations.	588
	129. Major activities of the Training Colleges Association.	592
