
LIST OF TABLES

TABLE NO.	PAGE
2.1 : Distribution of student teachers according to the sex and method offered	.. 77
2.2 : Scheme of the Treatment	.. 83
2.3 : Format of Lesson Plan followed in the experiment	88
2.4 : Schedule of the experiment	.. 89
2.5 : Scheme of interchange among groups after teach.	97
3.1 : A Schematic picture of the design	.. 103
3.2 : Personnel information sheet	.. 106
3.3 : A brief description of tools	.. 107
3.4 : A schematic representation of the treatment to experimental groups (Microteaching-simulation)	.. 121
3.5 : A description of the schedule of microteaching	122
4.1 : A - Basic Data in Terms of raw scores for skill of body movement (Skill I - BMT)	.. 133
B - Summary of anova results for skill of body movement (skill I - BMT)	.. 134
C - M, SD and 't' Values for skill of body movement for (Skill I-BMT) three groups E_1 , E_2 and E_3	.. 135
4.2 : A - Basic data in terms of raw scores for skill of body movement (Skill I M_1) - (Moving towards blackboard to discuss diagram and content written on it	.. 139
B - Summary of ANOVA results for skill of body movement (Skill I M_1) (Moving towards blackboard to discuss diagram and content written on it)	.. 140
C - M, SD and 't' values for skill of body movement (Skill I M_1) (Moving towards blackboard to discuss diagram and content written on it) for three groups - E_1 , E_2 and E_3	.. 141

(continued..)

(List of Tables)

TABLE NO.	PAGE
4.3 : A - Basic data in terms of raw scores for skill of body movement (Skill I M ₂) (Moving towards individual pupil to examine his work)	.. 144
B - Summary of ANOVA results for skill of body movement (Skill I M ₂) (Moving towards individual pupil to examine his work)	.. 145
C - M, SD and 't' values for skill of body movement (Skill I M ₂) (Moving towards individual pupil to examine his work for three groups - E ₁ , E ₂ and E ₃)	.. 146
4.4 : A - Basic data in terms of raw scores for skill of body movement (Skill I M ₂) (Moving towards class when talking to them)	150
B - Summary of ANOVA results for skill of body movement (Skill I M ₂) (Moving towards class when talking to them)	..151
C - M, SD and 't' values for skill of body movement (Skill I M ₂) (Moving towards the class when talking to them) for three groups E ₁ , E ₂ and E ₃	..152
4.5 : A - Basic data in terms of raw scores for skill of body movement (Skill I M ₄) (Moving sideways to adjust aids/ask questions/ explain/ attend the students)	..155
B - Summary of ANOVA results for skill of body movement (Skill I M ₄) (Moving sideways to adjust aids/ask questions/explain/ attend the students)	..156
C - M, SD and 't' values for skill of body movement (Skill I M ₄) (Moving sideways to adjust aids/ask questions/explain/attend the students) for three groups E ₁ , E ₂ and E ₃	..157
4.6 : A - Basic data in terms of raw scores for skill of body movement (Skill I M ₅) (Moving between the rows and around the class to control/check/show the material/distribute the material/help the group of students)	..160
B - Summary of ANOVA results for skill of body movement (Skill I M ₅) (Moving between the rows and around the Class to control/check/show the material/distribute the material/help the Group of Students)	..161

(List of Tables)

TABLE NO.

PAGE

4.6	:	C - M, SD and 't' values for skill of body movement (Skill I M ₅) (Moving between the row and around the class to control/check/show/distribute/help) for three groups E ₁ , E ₂ and E ₃	..162
4.7	:	A - Basic data in terms of raw scores for skill of gestures (Skill II GT)	..166
		B - Summary of ANOVA results for the skill of Gestures (Skill II GT)	..167
4.8.	:	A - Basic data in terms of raw scores for skill of gestures (Skill II G ₁) (Pointing towards things to direct attention like aids and blackboard writing)	..170
		B - Summary of ANOVA results for skill of gestures (Skill II G ₁) (Pointing towards things to direct attention like aids and blackboard writing)	..171
		C - M, SD and 't' values for skill of gestures (Skill II G ₁) (Pointing towards things to direct attention like aids and blackboard writing) for three groups E ₁ , E ₂ and E ₃	..172
4.9	:	A - Basic data in terms of raw scores for skill of gestures (Skill II G ₂) (Waving hands to indicate shape/size/movement/distance/symmetry/vagueness/irrelevance)	..174
		B - Summary of Anova Results for skill of gestures (Skill II G ₂) (Waving hands to indicate shape/size/movement/distance/symmetry/vagueness/irrelevance..175	
4.10	:	A - Basic data in terms of raw scores for skill of gestures (Skill II G ₃) (Movements of arms to emphasise and explain ideas and feelings)	..177
		B - Summary of ANOVA results for skill of gestures (Skill of G ₃) (Movements of arms to emphasise and explain ideas and feelings)	..178

(List of Tables)

TABLE NO.	PAGE
4.11 : A - Basic data in terms of raw scores for skill of gestures (Skill II G ₄) (Making shifts and movements of shoulders for expressing indifference/ignorance/negative feelings)	..181
B - Summary of ANOVA results for skill of gestures (Skill II G ₄) (Making shifts and movements of shoulders for expressing indifference/ignorance/negative feelings)	..182
4.12 : A - Basic data in terms of raw scores for skill of gestures (Skill II G ₅) (Nodding the Head for accepting/rejecting pupils ideas and feelings and showing surprise)	..184
B - Summary of ANOVA results for skill of gestures (Skill II G ₅) (Nodding the Head for accepting/rejecting pupils ideas and feelings and showing surprise)	..185
4.13 : A - Basic data in terms of raw scores for skill of gestures (Skill II G ₆) (Making mimicry or dramatic representation for communicating ideas and expressing emotions)	..187
B - Summary of ANOVA results for skill of gestures (Skill II G ₆) (Making mimicry or dramatic representation for communicating ideas and expressing emotions.	..188
C - M, SD and 't' values for skill of gestures (Skill II G ₆) (Making mimicry or dramatic representation for communicating ideas and expressing emotions) for three groups E ₁ , E ₂ and E ₃	..189
4.14 : A - Basic data in terms of raw scores for skill of shifting sensory channels (Skill III TRE) (Total record of events)	..192
B - Summary of ANOVA results for skill of shifting sensory channels (Skill III TRE) (Total Record of Events)	..193
C - M, SD and 't' values for skill of shifting sensory channels (Total record of events) for three groups E ₁ , E ₂ and E ₃	..193

(List of Tables)

TABLE NO.

PAGE

4.15 : A - Basic data in terms of raw scores for skill of shifting sensory channels (skill III TSE) (Total shifts in events)	.. 196
B - Summary of ANOVA results for skill of shifting sensory channels (Skill III TSE) (Total shifts in events)	.. 197
C - M, SD and 't' values for skill of shifting sensory channels (Skill III TSE) for Three groups E_1 , E_2 and E_3	.. 197
4.16 : A - Raw scores ANCOVA with two covariates - Achievement (X_1), Pretest on GTCOS(X_2) and Criterion variable - scores on attitude scale (Y_2)	.. 201
B - Summary of ANCOVA with the covariates - Achievement (X_1), Pretest on GTCOS (X_2) and criterion variable - scores on attitude scale (Y_2)	.. 202
C - Unadjusted and adjusted mean scores of Y_2 under three treatment conditions	.. 203
4.17 : A - Raw scores for ANCOVA with two covariates - Achievement (X_1), Pretest on GTCOS (X_2) and Criterion variable on self evaluation (Y_3)	.. 204
B - Summary of ANCOVA with two covariates - Achievement (X_1), Pretest on GTCOS (X_2) and criterion variable - scores on self evaluation (Y_3)	.. 205
C - Unadjusted and adjusted mean scores of Y_3 under three treatment conditions	.. 206
4.18 : Raw scores for ANCOVA with two co-variables	
A achievement (X_1), Pretest on GTCOS (X_2) and criterion variable - Posttest on GTCOS (Y_1)	207
B : Summary of ANCOVA with two covariates - Achievement (X_1), Pretest on GTC (X_2) and criterion variable - Posttest on GTCOS (Y_1)	.. 208
C : Significance of Difference between adjusted mean scores of Y_1 under four treatment conditions	.. 209

(List of Tables)

TABLE NO.	PAGE
5.1 : A - Summary of results of laboratory stage (Training) (Hypotheses related to feedback treatment)	..213
B - Summary of results of laboratory stage (Training) (Hypotheses related to lesson)	..215
C - Summary of results of laboratory stage (Training) (Hypotheses related to observer)	..217
6.1 : A Schematic Picture of the Design (Pretest and Posttest Parallel Group Design)	..263
6.2 : A Brief description of tools	..266
