

## A C K N O W L E G E M E N T

I express my most sincere gratitude to my teacher, Dr. S.J. Bedi, Reader in Botany, The M.S. University of Baroda, Baroda for suggesting this interesting problem as well as for his valuable guidance, constant encouragement and constructive criticism through out the course of this investigation.

I am grateful to Prof. A.R. Mehta, Head, Department of Botany for the facilities provided by him.

I express my thanks to Mr. R. Parthasarathy, IAS, ex Chairman, Vadod<sup>ra</sup> Urban Development Authority (VUDA) and to other VUDA Officials for allowing me to utilize certain facilities during the tenure of VUDA sponsored environmental study project, without which this work would have not materialized. Thanks are also to State Forest Department, Baroda for their constant help.

I express my sincere gratitude to Prof. P.S. Dubay, Vikram University, Ujjain, Prof. S.B. Chaphekar, Institute of Science, Bombay, Prof. D.N. Rao, Banaras Hindu University, Varanasi, and Prof. C.K. Varshney, Jawaharlal Nehru University, New Delhi for their valuable discussions, suggestions as well allowing me to go through their vast literature collection. The help rendered by Prof. Inamdar, Head, Department of Biosciences, S.P. University, Vallabh

Vidyanagar is gratefully acknowledged. I am indebted to Prof. A.D. Bradshaw, University of Liverpool, United Kingdom, Prof. R. Guderian, Institut f"urAngewandte Botanik der Universitu"t Essen (F.R. Germany), Prof. David N. Sen, Jodhpur University, Jodhpur for their suggestions during the course of this study.

My parents and family members, a constant source of encouragement deserve my deepest indebtedness. My sincere appreciation goes to my all colleagues and friends for their valuable assistance during the course of this investigation.

I am very much thankful to my Senior colleague Mr. G.S. Sisodia, Scientist in Industrial Research Laboratory, Baroda for his help in various ways to finish this work successfully.

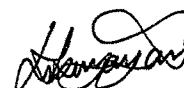

I wish to acknowledge the fullest co-operation given by all the farmers around the Industrial complex and the staff of village Panchayats to carry out the experiments in their fields.

Grateful acknowledgement are extended to U.G.C. Departmental Research Scheme, New Delhi, for the financial support.

I also wish to express my thanks to Mr. R.S. Patel for the excellent typing work.
