

## Acknowledgements

I would like to acknowledge many people who were along and helped in every possible way to successfully complete the study.

First and foremost, my heartfelt gratitude to my guide and mentor, Dr. Sarita Gupta, who taught me to have patience all throughout my study. I appreciate her patience in correcting my thesis and making me learn and realize the importance of scientific writing and encouraged me to learn the same. Her freedom gave me an opportunity to think, evaluate and design the experiments that made my study more interesting and allowed me to do good work. I have great respect and appreciation for her. For me, "thanks" is a small word to be said to her, for all that she has given me during my study.

I take this opportunity to thank all the heads- Prof. S. Telang, Prof. S.S.Katyare, Prof. Tara Mehta and Dr. Naresh Kumar, for providing the necessary infrastructure for the study.

I would specially thank Dr. Sharad Gupta, who critically evaluated the histological sections and give me valuable comments that made my study more interesting.

I extremely thankful to Prof. M. Michael Aruldas and Mr. S. Venkatesh of PGIBMS, Chennai, who introduced me to the topic of Radio receptor assays and taught from basics of iodination to actual assays..

I greatly appreciate the help rendered by Prof. Bonny Pilo and Dr. B. Suresh who helped me in taking photographs of histological sections. I also would like to acknowledge UGC-DSA Phase III, Zoology Department for providing with the instrument for doing the same. I would also thank Prof. A.V. Ramachandran for his help in providing me with references whenever I needed it.

I am extremely thankful to Trustee of GCRI, Dr. Sanjeev Mehta and Dr. Rajesh Singh Chauhan who allowed me to use gamma counters for all radio-receptor and RIA assays.

I take this opportunity to thank Dr. Ramchand of SPARC, who gave me permission to use ultracentrifuge for membrane preparations, that was required for my study.

It gives me pleasure to thank Dr. Sharma and Mr. Sumeet, who solved problems and helped me in estimation of metals by AAS. They were always ready to provide with lamps, etc. required for my study.

I am also thankful to Dr. Ami Rawal and Mr. Mukesh Nayak who helped me in preparation of histological slides.

I would specially thank Dr. M.D. Jani, Mr. Suresh Nate, Mr. Ramesh and Shankar Bhai of the Animal House for their valuable help during the study.

I would like to thank Dr. Rasheeda Begum who helped me whenever I had problems with PAGE. She and Dr. Puspha were always with me, whenever I needed encouragement and thank them again for the same.

I am thankful to Council of Scientific Industrial Research (CSIR) for their financial assistance.

I would like to thank, my old friend- Vishal who was the first one to introduce to the topic and evoke an interest to do my PhD in this field particularly.

My special thanks to Anil, who was involved in whole of my study. Without, his cooperation and sincerity, it was not possible to complete this study successfully.

Special thanks to my colleagues- Vilas and Jyoti, who were there whenever I needed the most. I think "thanks" will not suffice for all the help they rendered to me during my study.

I would specially thank new ones- Priyanka, Prakash and Chirayu in our lab who helped me in last minute touches in completion of thesis.

I like to thank my juniors- **Avnika, Abeda and Ushma**, who were part of lab during their MSc. They made me think, read and question that helped me to learn about the topic more. I also thank **Linu and Aishwarya** for their help.

There are some friends whom I would like to specially thank - **Meena, Siddharth, Jignesh, Vikas, Divya, Shajil, Gopith, Munjal, Sameer, Keyur, Prashant and Aditi** who were there all along and were always ready to help me whenever I needed it.

I would like to specially thank to my best friend, **Puspha**, who was always there besides me whenever I was upset and encouraged the most to come back with new smile next day.

I take this opportunity to thank my family, my **parents** especially my **father** who was always taught me that hard work and sincerity always brings you a smile with satisfaction. My **mother** always preached me "patience" will render you the best results. I specially thank **my in laws** who were there always and allowed me to study. Without their help and blessings, I would not have reach to such heights.

I would like to specially thank and acknowledge my Husband, **Pravin**. He is the person in my life who taught me to be patient, hardworking and sincere. He was always encouraging and always besides me to achieve the best. Without his love and advice, this work seems to be impossible. I thank almighty God for helping and encouraging me whenever I needed the most. I thank my lovely daughter- **Kavita** for being with me and cooperating with me to complete this study.
