<u>CHAPTER I - THE PROBLEM</u>	<u>PAGE</u>
Introduction.	1 - 2
1.1. The Concept of Ego Identity.	2 - 11
1.1.a. Ego identity and sex roles.	12 - 12
1.1.b. Ego identity and cognition.	12 - 13
1.1.c. Ego identity and autonomy.	13 - 13
1.2. The Concept of Purpose-in-Life.	13 - 16
1.2.a. Purpose-in-life, religion and values.	16 - 16
1.2.b. Purpose-in-life and maladjustment.	16 - 17
1.2.c. Purpose-in-life and deviant behaviour.	18 - 18
1.3. Present and Future Self-Concept.	18 - 20
1.3.a. Self-concept and age.	20 - 21
1.3.b. Self-concept and ego identity.	21 - 21
1.4. The Concept of Age.	22 - 23
1.4.a. Age and ego identity.	23 - 24
1.4.b. Age and moral development.	24 - 24
1.4.c. Age and future orientation.	24 - 25
1.5. The Concept of Sex Differences.	25 - 26
1.5.a. Sex differences in ego identity.	27 - 27
1.5.b. Sex differences in purpose-in-life.	27 - 27
1.5.c. Sex differences in achievement.	27 - 28

1.6.	The Concept of Sex Roles.	28 - 29
1.6.a.	Dimensionality of the recent approach.	29 - 30
1.6.b.	Concept of androgyny.	30 - 33
1.6.c.	Concept of sex roles in Hindu philosophy.	33 - 35
1.6.d.	Psychoanalytic theory.	36 - 36
1.6.e.	Cognitive-developmental theory.	36 - 37
1.6.f.	Social-learning theory.	38 - 39
1.6.g.	Bakan's theory.	39 - 40
1.6.h.	Theory of sex role transcendence.	40 - 41
1.6.i.	Gender schema theory.	41 - 42
1.6.j.	Gender-schematic processing.	42 - 44
1.6.k.	Sex roles and self-esteem.	44 - 44
1.6.l.	Sex roles and adjustment.	44 - 45
1.6.m.	Sex roles and intellectual competence.	45 - 46
1.7.	The Concept of Social Class.	46 - 48
1.7.a.	Social class and locus of control.	48 - 48
1.7.b.	Social class and moral development.	49 - 49
1.8.	Significance of the present investigation.	49 - 50

CHAPTER II - METHODOLOGY

2.1.	Issues and objectives.	51 - 52
2.2.	Specific problem under investigation.	52 - 52
2.3.	Hypotheses.	53 - 56

2.4.	The sample.	56 - 57
2.5.	The variables.	58 - 58
2.5.a.	Independent variables.	58 - 60
2.5.b.	Dependent variables.	60 - 61
2.6.	Tools.	62 - 62
2.6.a.	Kuppuswamy's socio-economic status scale.	62 - 62
2.6.b.	Sex role inventory.	63 - 66
2.6.c.	A Short Measure of Eriksonian Ego Identity.	66 - 67
2.6.d.	Purpose-in-life scale.	67 - 67
2.6.e.	Sentence completion test of self-concept.	67 - 68
2.7.	Procedure of data collection.	68 - 69
2.8.	Design and analysis of data.	69 - 70

CHAPTER III - RESULTS

3.1.	Age.	71 - 76
3.1.a.	Effect of age on ego identity.	71 - 72
3.1.b.	Effect of age on purpose-in-life.	72 - 72
3.1.c.	Relationship between age and present self-concept.	72 - 74
3.1.d.	Relationship between age and future self-concept.	74 - 76
3.2.	Sex Differences.	76 - 81
3.2.a.	Effect of sex differences on ego identity.	76 - 77

3.2.b.	Effect of sex differences on purpose-in-life.	77 - 77
3.2.c.	Relationship between sex and present self-concept.	77 - 79
3.2.d.	Relationship between sex and future self-concept.	79 - 81
3.3.	Sex Roles.	81 - 87
3.3.a.	Effect of sex roles on ego identity.	81 - 82
3.3.b.	Effect of sex roles on purpose-in-life.	82 - 82
3.3.c.	Relationship between sex roles and present self-concept.	82 - 84
3.3.d.	Relationship between sex roles and future self-concept.	85 - 87
3.4.	Social Class.	87 - 92
3.4.a.	Effect of social class on ego identity.	87 - 87
3.4.b.	Effect of social class on purpose-in-life.	88 - 88
3.4.c.	Relationship between social class and present self-concept.	88 - 90
3.4.d.	Relationship between social class and future self-concept.	90 - 92
3.5.	Interaction Effects.	93 - 101
3.5.a	Effect of age, sex, sex roles and social class on ego identity.	93 - 97
3.5.b.	Effect of age, sex, sex roles and social class on purpose-in-life.	97 - 101

CHAPTER IV - INTERPRETATION & DISCUSSION

4.1.	Age.	102 - 105
4.1.a.	Effect of age on ego identity.	102 - 103

4.1.b.	Effect of age on purpose-in-life.	103 - 104
4.1.c.	Relationship between age and present and future self-concept.	104 - 105
4.2.	Sex Differences.	105 - 109
4.2.a.	Effect of sex on ego identity.	105 - 107
4.2.b.	Effect of sex on purpose-in-life.	107 - 108
4.2.c.	Relationship between sex and present and future self-concept.	108 - 109
4.3.	Sex Roles.	109 - 118
4.3.a.	Effect of sex roles on ego identity.	109 - 111
4.3.b.	Effect of sex roles on purpose-in-life.	112 - 113
4.3.c.	Relationship between sex roles and present and future self-concept.	113 - 118
4.4.	Social Class.	118 - 129
4.4.a.	Effect of social class on ego identity.	118 - 121
4.4.b.	Effect of social class on purpose-in-life.	121 - 123
4.4.c.	Relationship between social class and present and future self-concept.	123 - 129
4.5.a.	Interaction effects of age, sex, sex roles and social class on ego identity.	129 - 131
4.5.b.	Interaction effects of age, sex, sex roles and social class on purpose-in-life.	131 - 132
4.6.	Limitations of the present study.	132 - 133
4.7.	Suggestions for achieving ego identity, purpose-in-life and a positive self-concept.	134 - 140
 <u>CHAPTER V - SUMMARY</u>		 141 - 153

<u>REFERENCES</u>	154 - 167
<u>APPENDIX</u>	168 - 183
APPENDIX A - Kuppuswamy's Socio-Economic Status Scale.	169 - 169
APPENDIX B - Sex Role Inventory.	170 - 171
APPENDIX C - Ego Identity Scale.	172 - 173
APPENDIX D - Self-Concept Scale.	174 - 175
APPENDIX E - Purpose-in-life Scale.	176 - 178
APPENDIX F - Mean Ratings of Masculinity and femininity Items on Sex Role Inventory.	179 - 182
APPENDIX G - Item Pool used in Constructing the Sex Role Inventory.	183 - 184
