

**APPENDIX VII**  
**OPINIONNAIRE**  
**(Module 2)**

**NAME:** \_\_\_\_\_ **CLASS:** \_\_\_\_\_

**DATE:** \_\_\_\_\_

You have been learning and practicing various skills and techniques to improve your information location skill with the help of the module given to you. You might like to offer your valuable suggestions regarding this module and their components. It would be of help to know your opinions and suggestions in finalizing this module.

A number of statements regarding this module and its various components are given. Your opinion regarding these statements may differ in various degrees. You have to consider each of these statements separately and mark the extent each has helped you in improving your information location skill. The columns on the right hand side show five categories namely Strongly agree, Agree, Uncertain, Disagree and Strongly Disagree. You have to show the extent of your opinions regarding each statement by putting a tick ( ✓ ) mark against it in the relevant column. Please tick only in one of the column as per the extent of your liking.

If you have any special suggestions other than those given in the statements, please write them down in the space provided at the end of the questionnaire under the heading ‘ suggestions’.

No.	Statements	Strongly agree	Agree	Uncertain	Disagree	Strongly disagree
