

List of Tables

Table Number	Title	Page number
Table 2.1	List of the primers used for the study	29-30
Table 2.2	List of miRNAs, their sequence and score with specific gene	32
Table 2.3	List of RT primers for mRNA	32
Table 2.4	List of F and R primer for miRNA	33
Table 2.5	Details of antibodies used for Western Blot	37
Table 2.6	Details of antibodies used for ICC	38
Table 3.1	Data values for fold change gene expression	65
Table 3.2	Data values for fold change miRNA expression	66
Table 3.3	Data values for fold change protein expression	66
