

## LIST OF FIGURES

<b>Sr. No.</b>	<b>Title</b>	<b>Page No.</b>
1)	Monthly Personal Income (In Rs.) of the respondents	<b>80</b>
2)	Monthly Family Income (in Rs.) of the respondents	<b>81</b>
3)	Years of Experience in teaching profession	<b>82</b>
4)	Mode of Conveyance used to reach School by the respondents	<b>83</b>
5)	Distance travelled per day (In Kilo meter)	<b>84</b>
6)	Subjects the respondents teach in their school	<b>86</b>
7)	Standards (Class) the respondents taught	<b>87</b>
8)	Hours spent in Teaching by the respondents	<b>88</b>
9)	Time spent on Computer	<b>93</b>
10)	Time spent on Routine Physical Exercise	<b>94</b>
11)	Time spent on Daily household work	<b>95</b>
12)	Perceived health status of the respondents	<b>96</b>
13)	Classroom Size (in sq. ft.)	<b>98</b>
14)	Painted colours on Classroom Walls	<b>100</b>
15)	Colour Painted on the Ceiling	<b>102</b>
16)	Flooring in the Classrooms	<b>105</b>
17)	Number of doors in the classroom	<b>106</b>
18)	Number of windows in the classroom	<b>108</b>
19)	Number of Artificial Lights in the classroom	<b>110</b>
20)	Number of Fans in the classroom	<b>111</b>
21)	Recommended level of Illumination (500 Lux)	<b>113</b>
22)	Distribution of the Classroom according to the Temperature (in °C)	<b>114</b>
23)	Number of Teacher's Table in the class room	<b>116</b>

24)	Number of Teacher's Chair in the class room	<b>117</b>
25)	Type of Writing Board in the classroom	<b>118</b>
26)	Type of Storage Unit in the classroom	<b>120</b>
27)	Perceived Comfort Level of the respondents while using Writing Board in the classroom	<b>122</b>
28)	Perceived Comfort Level of the respondents while using Chair in the classroom	<b>127</b>
29)	Perceived Comfort Level of the respondents while using Writing Table in the classroom	<b>130</b>
30)	Perceived Comfort Level while using Miscellaneous Physical Arrangements in the classroom	<b>132</b>
31)	Normal postures adopted during teaching by the respondents	<b>136</b>
32)	Stressful postures adopted during teaching by the respondents	<b>138</b>
33)	Harmful postures adopted during teaching by the respondents	<b>139</b>
34)	Very Harmful postures adopted during teaching by the respondents	<b>141</b>
35)	Extent of Psychosocial Factors Induced Musculoskeletal Pain experienced by the respondents	<b>152</b>
36)	Musculoskeletal Pain experienced by the respondents in past 12 months	<b>155</b>
37)	Radiating Back Pain towards the legs as experienced by the respondents in past 12 months	<b>157</b>
38)	Radiating Neck and Shoulder Pain till the Arms as experienced by respondents in past 12 months	<b>159</b>

39)	Problems faced by the respondents due to Musculoskeletal pain while performing various activities	<b>161</b>
