ACKNOWLEDGEMENT

I express my deep gratitude to my guide Dr. Sarita Agrawal, who guided me painstakingly. Without her valuable help this work could not have been accomplished. She gave me a fresh analytical outlook and perspective to complete my thesis.

My thanks are also due to Prof. M.D. Mohite, the Dean, Faculty of Commerce and Prof. D.V. Baloni, Head, Department of Business Economics, for their moral support. My thanks are also due to all members of the staff, Department of Business Economics. A note of appreciation and thanks to all the administrative staff members of Faculty of Commerce, the M.S. University of Baroda, Baroda.

My deepest thanks to my beloved father and mother for all their support and encouragement. I could not have completed this thesis without their physical, moral, emotional and financial support. I express my respect and gratitude to them though no verbal statement would suffice. To them, I dedicate my this thesis. How can I forget the help extended to me by my sister Sukhdeep and brother Jagdeep who aided me in countless ways in the writing of this thesis?

I am thankful to all the respondents who spared their valuable time for me without whose help this thesis would not have seen light of the day, I am also thankful to the Directors of the industrial units and managers of Pollution Control Board of Vapi, Managers of Vapi GIDC Notified Area I met for readily sharing their time and adding more meaning to this study.

I place on record my thanks to the following libraries I visited: Hansa Mehta library, The M.S. University, Baroda; Jawaharlal Nehru library, University of Mumbai, Mumbai; Central Library, South Gujarat University, Surat and Vikram Sarabhai Library, IIM, Ahmedabad. I am also thankful to the Directors of I.G.I.D.R., Ahmedabad; Gandhi Labour Institute, Ahmedabad and Sardar Patel Institute, Ahmedabad for allowing me to use their libraries.

I would also like to acknowledge my deep sense of gratitude to all my friends who have contributed throughout this research work, especially, Radha Shyamsundar.

Thanks to Deepakbhai, Mayankbhai and Varshaben for their technical help. I also take this opportunity to thank Mr. Buch, for neat and timely typing help.
