

LIST OF FIGURES

| NO. | TITLE | PAGE |
|-----|---|------|
| 1. | Budget Allocation for Micro Planning in Himachal Pradesh | 14 |
| 2. | Total Forest Area Under the JFM Program in Different Forest Divisions in Gujarat State | 14 |
| 3. | Year wise Formation of JFMCs in the Last Four Years in the State | 16 |
| 4. | Electro Magnetic Spectrum | 23 |
| 5. | Atmospheric Windows | 24 |
| 6. | Spectral Reflectance Pattern of Different Materials | 25 |
| 7. | Absorption of Different Wavelengths by Cellular Layers of Leaf | 26 |
| 8. | Spectral Reflectance of Vegetation | 26 |
| 9. | Climatic Scenario of Narmada District | 43 |
| 10. | Methodology Flow Chart | 53 |
| 11. | Spectral Reflectance of Closed, Open and Degraded Forests | 90 |
| 12. | Spectral Reflectance of Agriculture and Sparse Tree-cover with Agriculture | 91 |
| 13. | Spectral Reflectance of Non-Forest Classes | 91 |
| 14. | Spectral Reflectance Pattern of Monoculture and Polyculture Plantations | 100 |
| 15. | Potential Sites for JFM Plantations | 103 |
| 16. | Number of Individuals in Each Girth Class in Selected Villages | 120 |
| 17. | Number of Plant Species in Selected JFM Plantations | 121 |
| 18. | Floristic Composition and Phytograph of Canopy Cover of JFM Plantations of Dhanor (Dediyapada Taluka) | 124 |
| 19. | Floristic Composition and Phytograph of Under Cover of JFM Plantations of Dhanor (Dediyapada Taluka) | 129 |
| 20. | Cattle Populations in JFM Villages | 140 |
| 21. | Fuelwood Consumption from JFM Villages | 141 |
| 22. | Difference Between Demand and Supply of Fuelwood in JFM Villages | 143 |
| 23. | Weighted Sum Rank of JFM Villages | 148 |
