

PRESENTATION & AWARD

ORAL & POSTER PRESENTATION

1. **Makwana V**, Shukla P and Robin P, Modification of Flower sex ratio in *Jatropha curcas* by GA and 2, 4-D application. Oral presented in National Seminar on “Biological and Alternative Energies- Present and Future” organized by Department of Biochemistry, Visakhapatnam during August 30-31, 2009, Andhra Pradesh., India.
2. **Makwana V**, Shukla P and Robin P, Comparing potential of GA and 2, 4-D in increasing fruit yield from *Jatropha curcas*. Poster presented in 1st International Conference on “New Frontiers in Biofuels” organized by Delhi Technological University during January 18-19, 2010, New Delhi, India.
3. **Makwana V**, Dabhi B and Robin P, Application of GA and 2, 4-D increases flowering and fruit yield in *Jatropha curcas*. Poster presented in National Conference of Plant Physiology “Physiological and Molecular Approaches for Crop Improvement under Changing Environment” organized by Department of Plant Physiology, Institute of Agricultural Sciences, Banaras Hindu University, Varanasi and Indian Society for Plant Physiology during November 25-27, 2010, New Delhi, India.

AWARDS

1. **Young Scientist and Best Presentation Awards** received at National Seminar on “Biological and Alternative Energies- Present and Future” held during August 30-31, 2009 at the Department of Biochemistry, Andhra University, Visakhapatnam, Andhra Pradesh, India.
