

ACKNOWLEDGEMENTS

Acknowledgement

It is my great privilege and pleasure to record my profound gratitude to Dr. P.N. Bhatt, Director, Biotechnology, Unicorn Biotek Ltd. and former Reader in Dept. of Botany M.S. University of Baroda, for his valuable guidance. His constant encouragement critical evaluations and expertise has helped me in achieving this endeavor.

I am equally indebted to Prof. A.R. Mehta, Emeritus Professor (C.S.I.R) and former Head in Dept. of Botany, M.S. University of Baroda, for introducing me to this fascinating field of Tissue culture and for giving me training and providing me all facilities to carry out my research work.

I express my deepest indebtedness to Prof. R.P. Bhatt, Head Dept. of Botany for his constant support and encouragement which gave me extra courage in achieving this target.

I sincerely thank Prof. S.D. Sabnis, Pro-vice Chancellor, M.S. University of Baroda for his kind help and advise.

I take this opportunity to thank Shri. B.C. Sanghani, Chairman and Mr. Amul Sanghani, Managing Director of Unicorn Biotek Ltd., Hyderabad for granting me study leave during course of my thesis writing and for their personal interest and inquiry about my career.

I am extremely thankful to Dr. Selvapandiyan, Scientist, ICCEB, New Delhi, whose research work on tobacco I carried further for his immense support and training.

I thank Dr. Yogesh Jasrai, Reader in Dept. of Botany for his intellectual discussions during the course of this study.

My brother-in-law Mr. B.V. Nageshwar Rao, my sister and my family who were a constant source of moral encouragement deserves my deepest indebtedness.

My sincere appreciation goes to my all colleagues and friends: Dr. T. Srinivas, Dr. Jayesh Bhatt, Dr. Badri, Dr. Ramana, Dr. Krishna, Dr. Subbarao and Dr. M. Srinivas for their valuable help during the course of my investigations.

Finally I thank Mr. Rajeev Kapoor and M/s Midea Point for their excellent computer work.

T.V.L. Narasimha Rao.
