

DECLARATION

I state that the work presented in this thesis entitled “**Investigations in to the supramolecular interactions of [60]fullerene with various water-soluble hosts for novel bio-medial applications**” comprises of independent investigations carried out by me under the guidance of Dr. C. N. Murthy. Wherever references have been made to the work of others, it has been clearly indicated with the source of information under the references selection. The matter presented in this thesis has not been submitted elsewhere for the award of any other degree.
