

## **ACKNOWLEDGEMENTS**

I would like to express my profound gratitude to Dr. C. N. Murthy, Head, Applied Chemistry Department, Faculty of Technology and Engineering, The M. S. University of Baroda, who constantly encouraged, inspired and guided me right from the beginning of this research. Special thanks and recognition go to him, whose drive and commitment to research has inspired, motivated and enabled me to complete this endeavor.

I wish to express my gratitude to The Dean, Faculty of Technology and Engineering for providing required facilities to carry out my research. I convey my heartfelt thanks to The M. S. University of Baroda, Vadodara, for providing me University Research Fellowship for my research for the duration of 3 years.

I also wish to express my gratitude to Prof. A. K. Rakshit, Department of Biotechnology, West Bengal University of Technology, Kolkata for his kind support and guidance at some stages of my research. Thanks are also due to Dr. C. Ratna Prabha, Biochemistry Department, Faculty of Science, The M. S. University of Baroda for helping me in the beginning of my research by providing necessary reagents and access to the instrumentation facilities.

I would like to thank Dr. C. T. Rao, Sun Pharma Advance Research Centre (SPARC) Vadodara, for providing the freeze-drying facility. I am grateful to SAIF Punjab University (Chandigarh) and, SAIF Lucknow for NMR and LC-MS analysis. I am thankful to Mr. S. L. Parmar, Asst. Curator, Surveying laboratory, Civil Engineering. Department for helping with the use of digital planimeter.

I extend my sincere thanks to my teachers and students of the Department for their assistance during my research. I cannot forget the cooperation extended to me by the non-teaching staff members: Mr. Parag Vaishnav, Mrs. Kamini Patel, and Mrs. Pandyaben. I would like to thank Mr. Darpan Pandya, Dr. Shivaji Sharma and Mr. Jagdish Patel for their valuable suggestions and comments. My thanks also go to my laboratory mates Mrs. Srushti Deshmukh, Dr. Sushil Chaudhari, Mr. Harindu Vyas, Ms. Uma Jejurkar, Mr. Indrajit Shown, Dr. G. Yogendranath,

Dr. Kalpana Maheria, Mr. Amit Jayswal, Mr. Rakesh Thakkar, Mr. Rikesh Joshi, Mr. Parimal Patel, Mr. Vishal Modi, Mr. Mahesh Varia, Mr. Hemant Parmar, Mr. Gautam Patel, Mr. Mayur Patel, Mr. Vinod and my all fellow research mates for maintaining a very cordial and supportive environment during my research, and for their useful suggestions.

Finally, my deepest heartfelt gratitude and indebtedness belong to my parents for their patience, encouragement and financial assistance during my research and all my family members, especially Kantamasi and Tejalbhabhi, for their love, care and encouragement in the absence of my parents. Their support and faith in me have made the completion of this research possible. My special thanks go to Jaydeep Patel (my husband) for his encouragement and true moral support during the last year of my research.

There are many other people who did so many things to help me out at critical times. In this short space, it is not possible to acknowledge all of them individually. I thank all of them, my friends and colleagues, who have been always with me, in times of need.
